UNIVERSALIST PROFESSION OF BELIEF AND CONDITIONS OF FELLOWSHIP

I. The Profession of Belief adopted at the session of the General Convention at Winchester, N. H., 1803, is as follows:

Article I. We believe that the Holy Scriptures of the Old and New Testaments contain a revelation of the character of God and of the duty, interest and final destination of mankind.

Article II. We believe that there is one God, whose nature is Love, revealed in one Lord Jesus Christ, by one Holy Spirit of Grace, who will finally restore the whole family of mankind to holiness and happiness.

Article III. We believe that holiness and true happiness are inseparably connected, and that believers ought to be careful to maintain order and practise good works; for these things are good and profitable unto men.

II. The *conditions of fellowship* shall be as follows: (Adopted as an amendment to Article III of the Constitution of the General Convention, at its session in Boston, Oct. 23, 1899.)

1. The acceptance of the essential priniciples of the Universalist Faith, to wit: 1. The Universal Fatherhood of God; 2. The Spiritual authority and leadership of His Son, Jesus Christ; 3. The trustworthiness of the Bible as containing a revelation from God; 4. The certainty of just retribution for sin; 5. The final harmony of all souls with God.

The Winchester Profession is commended as containing these principles, but neither this nor any other precise form of words is required as a condition of fellowship, provided always that the principles above stated be professed.

2. The acknowledgment of the authority of the General Convention and assent to its laws.

DAYS OF SPECIAL OBSERVANCE

Recommendations by the Universalist General Convention

1. It is recommended that *Christmas Sunday*, i. e., the Sunday nearest Christmas, be observed by appropriate services.

2. It is recommended that on *Easter Sunday a Service of Recognition* be held, at which time persons baptized in childhood, and others, may be welcomed by suitable rites to membership of the Church.

3. It is recommended that one Sunday be set apart in each year to be denominated *Children's Sunday*,—in all cases, where practicable, *the second Sunday in June*, or as near thereto as possible; that parents and guardians be encouraged and invited to bring their children to the altar on that day for baptism or dedication to the service of the Lord.

4. It is recommended that the *first Sunday of October*, in each year, be set apart as *Memorial Sunday*, for commemorating those friends who, during the year, have been taken away by death.

5. It is recommended that the *first Sunday of November*, in each year, be set apart as *All-Souls Sunday*, for a special celebration of our distinguishing doctrine, the Scriptural truth that all souls are God's children, and that finally, by His grace attending them, they will all be saved from the power of sin, and will live and reign with Him forever in holiness and happiness.

6. It is recommended that the *third Sunday of May*, in each year, be set apart as *Educational Sunday*, for the presentation to the people of the educational interests of our Church. And that on the same day an appeal be made to our *Sunday Schools* for aid in the *Home Missionary Work* of our Church.

7. It is recommended that the *fourth Sunday in November*, in each year, be set apart as *Japan Sunday*, for the presentation of the claims of our *Foreign work* and for soliciting pecuniary aid therefor.

UNIVERSALIST REGISTER

FOR 1911

THE GENERAL CONVENTION

"The Universalist General Convention," having jurisdiction over the ecclesiastical organizations of the Universalist Church in the United States and Canadian Provinces, and wherever else it has churches or missions, meets biennially. The next session—1911—is to be held in Springfield, Mass., on the Wednesday preceding the fourth Sunday in October. The Convention is composed of the Officers of the General Convention, of the Presidents, the Vice-Presidents and the Secretaries of the several State Conventions; and of clerical and lay delegates from the State Conventions, each State being entitled to two clerical and four lay delegates and to an additional number of each class of delegates in proportion to the aggregate of its parishes and clergymen. At least four parishes must be organized and established in a State before a State Convention can be formed, but a less number of parishes may unite to choose two delegates, clerical or lay, to represent them in the General Convention; and if there be one parish so situated, it is entitled to two delegates. In all such States or Territories the General Convention has original jurisdiction.

All laws relating to fellowship, ordination and discipline originate in the General Convention, and it is the final court of appeal in all cases of dispute or difficulty between State Conventions. It is an incorporated body, empowered to hold real and personal estate to the value of five hundred thousand dollars, "to be devoted exclusively to the diffusion of Christian knowledge, by means of missionaries, publications and other agencies." In the interim of sessions the interests of the Convention are watched over and managed by a Board of Trustees.

The Murray Centenary Fund, created in 1870 as a memorial of the one hundredth anniversary of Rev. John Murray's first sermon in America, is the leading fund of the Universalist Church. To this fund there have from time time been added others of various sums, and under different names, so that the total to-day is in the neighborhood of $395,000. The sums have been named in former numbers of *The Register.* The Report of the General

STATISTICS

As in the Register in former years, so now, it has been deemed advisable to place first all needed statements in regard to State organizations, arranged as heretofore, alphabetically. The same order of arrangement is also made of the Parish statistics, which immediately follow.

The location of parishes and other preaching places, according to post-office address is shown in the first column; where a fraction appears after the name of a parish it indicates that preaching services are held part of the time; (*oc.*) denotes that there is only occasional preaching; (*m.*) monthly services; (*dor.*) that the society is inactive; (|) that the parish is not in formal fellowship. The number of families included in the respective parishes is given under the proper heading. Under the head of "Church Edifices," the date of dedication is given when known. *Un* denotes that the parish is part owner in a union house of worship; the abbreviations *b.* (brick), *st.* (stone), *w.* (wood), indicate the material of the structure. In the column designated "Preachers," the names of pastors or regular supplies are given. If the name is in italics the preacher is a licentiate; parallels (||) show that he is not in the Universalist fellowship. An asterisk (*) prefixed to the name of a Parish Clerk, Superintendent of Sunday School or Secretary of a Young People's Organization, denotes that the officer is a woman and should be addressed as Miss; two asterisks (**) that she should be addressed as Mrs.

The statistics, except those relating to the Young People's Religious Organizations, are from official reports of State Convention Secretaries to the Secretary of the General Convention, supplemented by more recent reports from Preachers and Parishes. In the absence of information of recent date from these sources the figures of the last reported year are used.

J., to provide means, adopt and execute measures for the preservation of memorials and property endeared to Universalists at Good Luck, N. J., and for holding yearly meetings thereat during each summer in the interest of the Church at large. The Association is incorporated, and at the end of the fiscal year, June 30, 1909, owned $5,000 free of debt. Included in this amount is an Endowment Fund of $1000, now drawing interest at 5 per cent. per annum toward defraying any deficit in the running expenses. As stated in the *Register* of 1909 an offer has been made of a $5000 bequest by will, conditional on raising an additional $20,000 by Aug. 24, 1911, which will be the 25th Anniversary of the organization of the Association. The $25,000 is intended as a Permanent Endowment Fund. At the meetings of August, 1909, the Potter Mansion and farm were purchased at a cost of $4000, of which $1000 was contributed then and there and the balance of $3000 was advanced by two lady members of the Association as a loan for two years without interest. The deed for the Jeffrey Mansion and farm having also been executed, the Association now practically owns not less than 225 acres of land with two mansions, the Murray Grove House, and the Potter Memorial Church. By an amicable arrangement it has also the unrestricted use of the Old Potter Meeting House during the August meetings. Cuba

Our Cuban mission is in the care of Rev. Jacob Straub, D.D., residing at Columbia-on-the-Bay. Columbia sympathizes with the general depression of the other colonies, chiefly from political causes, and is much diminished in numbers. The mission still has its important and hopeful features. Though the Church at Columbia is represented by several denominations co-operating it is under a recognized Universalist pastor who is known as such in all the colonies and beyond, where his visits and pastorate influence extend. The result will be a Universalist constituencey ready when prosperity returns to the Island.

Japan

The Japanese Mission was begun by the General Convention in 1890. The present missionary staff are Rev. and Mrs. G. I. Keirn, D.D., Rev. and Mrs. Nelson L. Lobdell, Miss Catherine M. Osborn, and Miss M. Agnes Hathaway. The following are the ordained Japanese clergymen: Rev. M. Midzuhira Rev. Hisanari Hoshino, Rev. N. Nagano, Rev. Sempo Ito, Rev. Kyoshi Satoh, and Rev. Y. Mashino. The first two are not in active service. The Universalist Convention of Japan meets annually in April. The officers are: *Pres.*—Rev. N. L. Lobdell; *Sec.*—Rev. S. Akashi; *Treas.*—Miss M. A. Hathaway. Resident pastors are employed in three places: Tokyo, Shidzuoka and Nagoya. Rev. Y. Mashino is forming the nucleus of a second church in Tokyo. Akita has a church organization and is called a "visiting station." As the Mission has been unable to supply a resident pastor for Hoden since it came to us from another denomination, it asked permission to withdraw from the denomination, and the request was granted. Through *The Universalist*, a monthly periodical, and other literature an excellent influence is sent forth to inquirers. The Blackmer Home is a fine benefaction. It is situated at 50 Takata, Oimatsu-cho, Koishi-kawa, Tokyo, and in the absence of a hoped-for headquarters, it serves in many practical ways as such. The pastors and associates of

the missionaries have the interests of the work at heart and make their influence felt in the communities where they labor. Rev. Mr. Satoh and wife, Mrs. Tame Satoh, were students in America and are known to many Universalists. They are teachers in the Girls' School in Tokyo. The Universalist Leader of Nov. 26, 1910, Nov. 27, 1909, Dec. 7, 1907, and Oct. 27, 1906, were Japan issues and contain valuable information The energy of the missionaries and their associates is directed to the work of establishing self-sustaining Universalist churches in Japan and to the diffusion of sound and wholesome principles of domestic and civic life.

Our recapitulation makes it appear that the Universalist Church embraces 673 Ministers, 882 Parishes, 51,554 Families, 52,751 Church Members, Sunday School Membership 39,523, and a valuation of $12,775,996.00. The Young People's Religious Organization numbers about 8,000, Seniors and Juniors. The Women's Missionary Societies are making very notable progress. It appears from this recapitulation that there has been a decrease in the number of Churches and also Sunday Schools, and while there may have been a slight decrease, it is not so large as appears from the recapitulation, the fact being that in so many cases there were no returns from Churches and Sunday Schools where there were returns from Parish organizations. This emphasizes more strongly than ever the care and interest which all pastors and officers should take in making full and accurate returns in order that our Church shall show its real growth and prosperity. As will be seen from the figures, there has been a decided increase in Church Membership, and also in the value of Church Property.

The † indicates the Parishes from which no returns were made, and which are copied from the Register of 1910.

The college preparatory course fits the student for any college, while including some useful studies not required for admission. The academic course is designed for such students as

do not purpose attending college, but desire the best education a secondary school can give them. There is opportunity in this course, therefore, for studying the ancient and modern languages, mathematics, science, English literature rhetoric and history.

Each of the courses occupies four years, and a diploma is given at the completion of any one of them.

Both sexes are admitted. The atmosphere of the school is made as homelike as possible, while suitable restraints are imposed. A multiplicity of rules is avoided, however, much being left to each student's honor and sense of propriety.

NECROLOGY

Since the issue of the *Register* for 1910, the following ministers have died:

Thomas Borden, one of the oldest ministers in the Universalist Church, both in point of years and length of service, died at the Odd Fellows' Home in Concord, N. H., Nov. 23, 1909, at the age of 89 years. For over sixty years he was a minister of our Faith filling many important pulpits in Massachusetts, New Hampshire, Vermont and New York. He was born in Fall River, Mass., Sept. 22, 1820. Mr. Borden was a scholar of ability, and a vigorous and eloquent preacher. Though little known in later years, owing to his retirement on account of physical infirmities, he is remembered as a man of sterling character and great zeal for the work of the Universalist ministry.

William Erastus Gibbs, D.D., was born in Albany, N. Y., Jan. 22, 1837, and died in Lawrence, Mass., Dec. 1, 1909. He was the son of Samuel W. and Harriet Hinckley Gibbs, and through the maternal side, a direct descendant of Governor Hinckley of Plymouth Colony. His preparation for the ministry was secured at Tufts College, from which he graduated in 1859, and through a post-graduate course under Rev. C. H. Leonard. He was ordained Nov. 22, 1860, at Arlington, Mass. In 1862 he responded to the call for volunteers and enlisted and served as a private in the Civil War. On his discharge, he again took up the work of the ministry and continued in it through his life, occupying pastorates at Newark, N. J., Portland, Me., Buffalo, N. Y., and Lawrence, Mass., serving in the last place for twenty-one years. He was a member of the G. A. R., the Masons, had served on the Board of Trustees of our General Convention, as President of the Massachusetts State Convention, and continued as a Trustee of Tufts College until his death. In addition to these opportunities for service, Dr. Gibbs was always a vital force in the community in which he lived, being a leader in all social, civic and educational enterprises. He was a man of great intellectual power and as a minister he made a large contribution to the success of our Church and the cause of Christianity.

James M. McWhorter, M. D., was a minister of the Faith long before he was ordained, and ever after ordination. He never was

settled as a pastor, but in the field where he was born and lived to the great age of 88 years, he combined the calling of the ministry with the profession of physician and through both lived a life of service to mankind, inspired by the Gospel of Universalism. Dr. McWhorter passed away at his home in Buckhannon, West Virginia, early in December, 1909.

George Henry Deere, D.D., who died at his home in Riverside, Cal., April 9, 1910, won for himself a distinguished place in the history of the Universalist Church. He was born in Oswego, N. Y., Sept. 4, 1827, and few lives are caused to bear heavier burdens of personal affiiction than he, and few have borne them in a nobler and sweeter spirit. From childhood his eyesight was so defective that it was almost impossible for him to read, and yet with a persistence which would not be denied, he became a well-educated man, and a preacher of great power. He filled pulpits in Danbury, Conn.; Brattleboro, Vt.; Melrose, Mass.; New Orleans, La.; Rochester, Minn., and finished his successful ministry by establishing the society and building a beautiful church in Riverside, Cal. He was greatly aided in his work by his wife, a woman of rare character, whose death occurred but a few months preceding his own. Not long before his death, Dr. Deere published his autobiography which tells in beautiful simplicity the story of a consecrated life.

Moses Henry Houghton was born at Locke's Mills, Me., in 1846, and died at Springville, N. Y., May 16, 1910. He was a graduate of Harvard Divinity School in 1873, and began his ministry in Bath, Me. During his life he held pastorates at Grand Haven, Mich.; Hyannis, Mass.; New Haven, Conn.; Storm Lake, Ia.; Dubuque, Ia.; Titusville, and Bradford, Pa. He was regarded as a clear thinker and a brilliant preacher, and in his life outside the pulpit got close to men.

John Jay Lewis won a national reputation as a lecturer, particularly as the American apostle of the Oberammergau Passion Play, of which he made a profound study, returning from the third performance of it which he had witnessed, but a short time before his death, which occurred at his summer home in Vermont, Sept. 14, 1910. Mr. Lewis was one of the early graduates of Tufts College, and was the principal of the Green

Mountain Liberal Institute for two years. He was ordained to the Universalist ministry in 1867. Very shortly afterwards he became the pastor in South Boston, Mass., and remained there for 33 years, when he went into the lecture field, though he was afterwards assistant at St. Paul's Church in Chicago and the Church of Our Father in Brooklyn, N. Y. One of his sons is a professor in Tufts College and the other is a leader in organized social and philanthropic work in New York City.

James W. McMaster died at his home in Charlestown, W. Va., July 28, 1910, at the great age of 91, loved and respected by all who knew him. Through his long life he had, both as clergyman and citizen, served the cause of Christian righteousness in a way to clothe his declining years with honor.

Henry Warren Rugg, D.D. Few ministers in our Church have attained to greater official prominence than Dr. Rugg, and none have been more worthy. For 37 years he was a member of our General Convention Board, and for 12 years its chairman. He was long the able Secretary of the Rhode Island State Convention, a Trustee of the Universalist Publishing House and of Tufts College, being also Financial Secretary of the latter. In addition to these offices connected with our Church, he rose to be the head of the Knights Templars of America, and has always been actively associated with all worthy public interests. He was born in Framingham, Mass., Sept. 3, 1833, was ordained in 1854 and served as pastor in Bath, Me., Providence, R. I., and Milford, Mass. In his long service as a minister of the Gospel he proved himself to be one called of God. As a preacher he was interesting and inspiring and was a real leader of his people to service larger than the local needs. To him we are very largely indebted for the inception and carrying forward of our Japan Mission, and in his work on our General Mission Board, he has shown exceptional executive skill, rare wisdom and judgment which have been real factors in the success of all our missionary enterprises. His personality was ever gracious and winning, and he leaves with us a memory fragrant with the spirit of Christian manhood. Dr. Rugg died at Providence, R. I., July 21, 1910.

Martha A. Bertle, was distinguished as a teacher in Clinton Liberal Institute and Buchtel College before she took up the

work of the ministry. With this fitting, coupled with a deep consecration to Christian service, she filled very acceptably several of our pulpits in the Middle West, and during her last years proved herself a successful lecturer. She died at Chautauqua, N. Y., Aug. 26, 1910.

Edgar Leavitt was born in Louisville, Ky., but his early life was spent in Maine where he received an excellent education. While in the home of Rev. and Mrs. W. S. Ralph, he was induced to enter the ministry and was ordained in 1874 at Fort Atkinson, Wis. He was settled in Oshkosh, Wis., Macomb, Ill., and Santa Cruz, Cal. From the last named place he was called to the important position on the Mission force in Japan and for six years he served with great devotion and conspicuous success our Church in The Sunrise Kingdom. Returning to America, with his health impared, he took up the practice of law to which he had been educated, but always kept in close touch with the ministry and its work. Mr. Leavitt died at his home in Glendale, Cal., where he was recognized as "the First Citizen," Sept. 23, 1910.

Robert Newman John, who died at his home in Blanchester, O., Oct. 28, 1910, was for many years a conspicuous figure in the life of our Church in the Middle West. He was born in Louisiana in 1835, but at an early age removed to Ohio, where he received his education, and where he began teaching school at the age of 18. He graduated from Miami University in '58, being contemporary with Whitlaw Reid, Benj. Harrison and Calvin Brice. He was a student under Prof. David Swing. He enlisted in 1862, and served under Generals Grant and Sherman, and was wounded during an engagement in January, 1863. He was a brother-in-law of Rev. Dr. J. C. Snow and served with him on the faculty of Westbrook Seminary. He was acting president of Smithson College in Indiana for two years, and Superintendent of Schools in Blanchester, O. He was ordained in 1874 and held pastorates at Mt. Carmel, London, and Cuba, O. He also served as State Secretary and Superintendent.

Rev. John C. Burruss, D.D. On Monday, Dec. 12, 1910, there passed away at his home in Notsaulga, Ala., one of the Heroes of our Faith, the Rev. John C. Burruss, at the great age of 89 years. Dr. Burruss was born in Carolina County, Virginia,

May 16, 1821. While a young man he went to Alabama, where he married Miss Frances A. Burks, and though his field of work extended from Maryland to Texas, his home has been in Notasulga, where he was editor of the Universalist *Herald* for many years. For more than fifty years he was the pastor of his home church, and during all that time he was at the head of the Universalist interests in the South. Before the time of Dr. Shinn, Dr. Burruss and Dr. Clayton were moving through all the Southern States, preaching the good tidings of great joy to all, and all over that section are churches without number established by them. Dr. Burruss had the true missionary spirit and gave himself fully to the cause, and he leaves a memory fragrant with his noble manhood and gracious service.

Rev. Edward Smiley, who for the last few years has been living quietly in his home in Leicester, Mass., having retired from the active ministry on account of feeble health, passed away from earth on Dec. 14, and was buried Dec. 17, the Rev. Vincent E. Tomlinson, of Worcester, conducting the service. Mr. Smiley was born in Bethlehem, Pa., April 7, 1829. He was ordained to the Universalist ministry at Danbury, Conn., July 22, 1856, his first pastorate. He had charges in Claremont and Newfields, N. H.; Charlton, Mass.; Brattleboro, Putney and Williamsville, Richmond,Vt.; North Hatley and Waterloo, Quebec. The ministry of Brother Smiley has been one of rare worth; though he never obrtuded himself before the world, he won a large place in the hearts of his brother ministers and all who knew him, by the strength and sincerity of his life. Wherever he has been as pastor he is remembered as a man whom to know was to respect and love. Of German descent, he was a student of German literature, and was often a contributor to our denominational press.

In addition to the clergymen who have passed away during the year, while still in our fellowship, the following, though dying in the fellowship of other churches, have served our cause with ability and devotion: Rev. William Frank Potter was a graduate of Canton Theological School and was pastor of a number of our societies in Massachusetts, notably at Arlington and New Bedford. In the latter part of his life he united with the Unitarian Church. His death occurred at Chelsea, Mass., Sept. 1, 1910.

Rev. Thomas Silloway, at one time the assistant of Rev. Sebastian Streeter and an earnest worker for Universalism, was drawn from the active ministry by his success in Architecture, and he won renown as the "Church builder," having designed over four hundred. He died at Allston, Mass., May 14, 1910.

Rev. George B. Stocking, D.D., in the last few years of his life was affiliated with the Methodist Church, doing evangelical work in the immediate vicinity of his home in Lansing, Mich., where he died Sept. 19, 1910. Dr. Stocking had filled a number of our prominent pulpits with ability, and was held in high esteem by his many parishioners.

During the year just past a large number of our laymen and laywomen who have been conspicuous for the generosity of their giving or service, have passed away, and we here add their names to that long roll of honor with which our history as a Church is dignified and blessed. James Sargent, of Rochester, N. Y.; Benjamin W. Wilson, of Brooklyn, N. Y., Mrs. Mary A. Richardson, of Worcester, Mass.; David Cummings, Charlestown, Mass.; Arthur E. Dennison, Cambridge. Mass.; Parker Litchfield, Medford, Mass.; Prof. A. E. Dolbeare, and David Lee Maulsby of Tufts College,; Lucian Blackmer, of St. Louis; and Miss Carrie P. Underwood, of St. Johnsbury, Vt.

The Goodness of God

IN VIEW OF THE FACTS OF NATURE AND THE SUPERNATURAL

By GEORGE T. KNIGHT, D. D., *Professor of Theology in Tufts College Divinity School.*

A CRISP and readable statement of the argument in the case of optimism against pessimism, with a history of theodicy, giving a complete *résumé* in compact compass of all the important theories of the problem of evil. The book is one of the greatest contributions to a rational and helpful theology of recent times, and might well find place as a text-book, not only in the divinity schools, but in that practical school of a growing theology from which there is no graduation. 126 pages, cloth, gilt top. Price 50 cents, post paid.

UNIVERSALIST PROFESSION OF BELIEF
AND
CONDITIONS OF FELLOWSHIP

I. The Profession of Belief adopted at the session of the General Convention at Winchester, N. H., 1803, is as follows:

Article I. We believe that the Holy Scriptures of the Old and New Testaments contain a revelation of the character of God and of the duty, interest and final destination of mankind.

Article II. We believe that there is one God, whose nature is Love, revealed in one Lord Jesus Christ, by one Holy Spirit of Grace, who will finally restore the whole family of mankind to holiness and happiness.

Article III. We believe that holiness and true happiness are inseparably connected, and that believers ought to be careful to maintain order and practise good works; for these things are good and profitable unto men.

II. The *conditions of fellowship* shall be as follows: (Adopted as an amendment to Article III of the Constitution of the General Convention, at its session in Boston, Oct. 23, 1899.)

1. The acceptance of the essential priniciples of the Universalist Faith, to wit: 1. The Universal Fatherhood of God; 2. The Spiritual authority and leadership of His Son, Jesus Christ; 3. The trustworthiness of the Bible as containing a revelation from God; 4. The certainty of just retribution for sin; 5. The final harmony of all souls with God.

The Winchester Profession is commended as containing these principles, but neither this nor any other precise form of words is required as a condition of fellowship, provided always that the principles above stated be professed.

2. The acknowledgment of the authority of the General Convention and assent to its laws.

DAYS OF SPECIAL OBSERVANCE

Recommendations by the Universalist General Convention

1. It is recommended that *Christmas Sunday*, i. e., the Sunday nearest Christmas, be observed by appropriate services.

2. It is recommended that on *Easter Sunday a Service of Recognition* be held, at which time persons baptized in childhood, and others, may be welcomed by suitable rites to membership of the Church.

3. It is recommended that one Sunday be set apart in each year to be denominated *Children's Sunday*,—in all cases, where practicable, *the second Sunday in June*, or as near thereto as possible; that parents and guardians be encouraged and invited to bring their children to the altar on that day for baptism or dedication to the service of the Lord.

4. It is recommended that the *first Sunday of October*, in each year, be set apart as *Memorial Sunday*, for commemorating those friends who, during the year, have been taken away by death.

5. It is recommended that the *first Sunday of November*, in each year, be set apart as *All-Souls Sunday*, for a special celebration of our distinguishing doctrine, the Scriptural truth that all souls are God's children, and that finally, by His grace attending them, they will all be saved from the power of sin, and will live and reign with Him forever in holiness and happiness.

6. It is recommended that the *third Sunday of May*, in each year, be set apart as *Educational Sunday*, for the pr sentation to the people of the educational interests of our Church. And that on the same day an appeal be made to our *Sunday Schools* for aid in the *Home Missionary Work* of our Church.

7. It is recommended that the *fourth Sunday in November*, in each year, be set apart as *Japan Sunday*, for the presentation of the claims of our *Foreign work* and for soliciting pecuniary aid therefor.

UNIVERSALIST REGISTER

FOR 1912

THE GENERAL CONVENTION

"The Universalist General Convention," having jurisdiction over the ecclesiastical organizations of the Universalist Church in the United States and Canadian Provinces, and wherever else it has churches or missions, meets biennially. The next session—1913—is to be held in Chicago, Ill., on the Wednesday preceding the fourth Sunday in October. The Convention is composed of the Officers of the General Convention, of the Presidents, the Vice-Presidents and the Secretaries of the several State Conventions; and of clerical and lay delegates from the State Conventions, each State being entitled to two clerical and four lay delegates and to an additional number of each class of delegates in proportion to the aggregate of its parishes and clergymen. At least four parishes must be organized and established in a State before a State Convention can be formed, but a less number of parishes may unite to choose two delegates, clerical or lay, to represent them in the General Convention; and if there be one parish so situated, it is entitled to two delegates. In all such States or Territories the General Convention has original jurisdiction.

All laws relating to fellowship, ordination and discipline originate in the General Convention, and it is the final court of appeal in all cases of dispute or difficulty between State Conventions. It is an incorporated body, empowered to hold real and personal estate to the value of five hundred thousand dollars, "to be devoted exclusively to the diffusion of Christian knowledge, by means of missionaries, publications and other agencies." Though the Church at Columbia is represented by several denominations co-operating it is under a recognized Universalist pastor who is known as such in all the colonies and beyond, where his visits and pastorate influence extend. The result will be a Universalist constituencey ready when prosperity returns to the Island.

Osborn, and Miss M. Agnes Hathaway. The following are the ordained Japanese clergymen: Rev. M. Midzuhira Rev. Hisanari Hoshino, Rev. N. Nagano, Rev. Sempo Ito, and Rev. Kyoshi Satoh. The first two are not in active service. The Universalist Convention of Japan meets annually in April. The officers are: *Pres.*—Rev. N. L. Lobdell; *Sec.*—Rev. S. Akashi; *Treas.*—Miss M. A. Hathaway. Resident pastors are employed in three places: Tokyo, Shidzuoka and Nagoya. Rev. Y. Mashino is forming the nucleus of a second church in Tokyo. Akita has a church organization and is called a "visiting station." As the Mission has been unable to supply a resident pastor for Hoden since it came to us from another denomination, it asked permission to withdraw from the denomination, and the request was granted. Through *The Universalist,* a monthly periodical, and other literature an excellent influence is sent forth to inquirers. The Blackmer Home is a fine benefaction. It is situated at 50 Takata, Oimatsu-cho, Koishi-kawa, Tokyo, and in the absence of a hoped-for headquarters, it serves in many practical ways as such. The pastors and associates of the missionaries have the interests of the work at heart and make their influence felt in the communities where they labor. Rev. Mr. Satoh and wife, Mrs. Tame Satoh, were students in America and are known to many Universalists. They are teachers in the Girls' School in Tokyo. *The Universalist Leader* of Nov. 11, 1911, Nov. 26, 1910, Nov. 27, 1909, Dec. 7, 1907, and Oct. 27, 1906, were Japan issues and contain valuable information. The energy of the missionaries and their associates is directed to the work of establishing self-sustaining Universalist churches in Japan and to the diffusion of sound principles of domestic and civic life.

Recently Dr. Keirn has made two extensive missionary journeys in the Empire, accompanied by an interpreter. He delivered lectures and distributed literature and held personal interviews. On his return a great shower of letters of inquiry resulted. He feels that the field was never more promising for cultivation than now. The Springfield Convention gave the Japan Mission the heartiest support and asked the churches to give it the means of continuing its important work.

WESTBROOK SEMINARY

This institution, the oldest active school in the denomination, is a boarding and day school of the highest standards for both sexes. Its charter was granted in 1831 by the State of Maine, and in 1863 was amended so as to give the Seminary the authority of a woman's college. Located in that part of Portland which was formerly Westbrook, and was later erected into the city of Deering, it enjoys the advantages of the city and country alike, while the centering of railroad and steamship lines at Portland makes it easily accessible from anywhere.

The grounds are spacious; the buildings convenient and comfortable. Hersey and Goddard Halls, the dormitories respectively of the young ladies and of the young men, are connected by the Dining Hall, and afford accommodations for about one hundred students. These halls are well equipped with modern improvements and are kept in thorough repair. Alumni Hall contains the principal recitation rooms, the laboratories of Chemistry, Physics, Biology and Photography, as well as the Cabinet of Minerals, Fossils and Zoological Specimens. The other buildings are the McArthur Gymnasium, and the Moulton Chapel.

The course of study is carefully planned to allow a large freedom of election, but at the same time to ensure each graduate a good general education as well as a preparation more than sufficient for admission to college. Special advantages in the way of advanced work are offered to graduates of other schools who wish to anticipate some of their college work. Among the courses offered are:—four years in English, six in Mathematics, nine in Science, five in History, six in Latin, four each in Greek, German, French, Piano, Voice Culture, and Elocution, and one in Pedagogy and School Management.

The regular expenses for the school year amount to $240, not including books.

NECROLOGY

Since the issue of the *Register* for 1911, the following ministers have died:

Rev. A. N. Alcott was born at Berea, Ohio, Dec. 4, 1838. He was a graduate of Washington and Jefferson College and the Western Theological Seminary of Pittsburg, Pa. He was ordained a Presbyterian minister and served for some years in that fellowship, but his mind was rebellious against the narrow theological limits, and his heart yearned for a more generous thought of God, and life and destiny. He was drawn to a settlement in a Liberal church at Kalamazoo, Mich., from there he went to the Universalist Church at Elgin, Ill., where he remained twelve years. During his pastorate the fine brick building was erected. At the close of this pastorate, he became an Independent and preached in various places representing the "Liberal Congress," afterwards returning to the Universalist Fellowship, and taking the pastorate of All Souls Church in Minneapolis, remaining there for seven years. His last settlement was at Macomb, Ill. where a long illness terminated in his death, Dec. 29, 1910. Mr. Alcott was a man of scholarly attainments, a loyal and devoted seeker after the truth, an industrious worker, a faithful pastor and a good friend.

Mrs. Eva V. Whitney, who died on Jan. 16, at her home in Wessington Springs, So. Dakota, was licensed to preach in 1902, and acted as the minister of our church in Wessington Springs for some time. Eva V. Kimball was born in Reading, Mass., Sept. 8, 1853, and was educated in the public schools. She removed to Minnesota where she was married to Mr. Frank W. Whitney. In 1874 they removed to Wessington Springs, in 1889. And it was here she give her service to building up the Universalist church, later being licensed to preach that she might the better carry on her work. She led a consistent and useful Christian life.

Rev. Richard A. Lenz. At the early age of twenty-three the Rev. Richard A. Lenz died suddenly at his home in Nunda, N. Y., March 23, 1911, where he was pastor of our church. Mr. Lenz graduated at the age of 21 from Canton Theological School

and immediately entered upon the work of the ministry, which work lasted but two years when his seemingly untimely death occurred. During this brief time he showed the possession of some rare qualities as a preacher and a pastor. He was of exceedingly nervous temperament and most conscientious in all that he did and so modest of his own efforts, that even his successes seemed to him to be failures which wore upon him. He was sustained by a devoted and heroic wife, who survives him. He leaves among those who knew him a memory of a faithful and helpful ministry.

The Rev. Henry R. Walworth who died at Hurlock, Md., May 3, 1911, was one of the real forces in our ministry in the earlier days. He was born in 1827 and was therefore eighty-four years of age at the time of his death. He was ordained in 1847, which must have made him a very young minister. He was fitted among those who made up our first theological school under Dr. Sawyer, at Clinton, N. Y. After his ordination it is known that he held pastorates in Maine, New Jersey and Maryland, and probably in other states. His last pastorate and probably his most important was in Baltimore. On account of a throat trouble he was obliged to give up the regular work of the ministry, and at Hurlock, Md., conducted a paper, and became a prominent and useful citizen, having founded the public library in his own home. During this time he frequently supplied the pulpits in surrounding cities with great acceptance. His funeral was held May 5, and was attended by the Rev. Dr. E. C. Sweetser, of Philadelphia. The interment was at Hurlock, Md.

Rev. Moses H. Harris, D.D. The death of Rev. Dr. Moses H. Harris was a severe blow not only to the parish in Watertown, N. Y., to which he ministered, but to our whole Church, for his long ministry in the Universalist Church made him a conspicuous and vital part of the Church life.

Moses Henry Harris was born at Greene, Me., May 14, 1845. He fitted for college at Edward Little Institute, Auburn, Me., but on graduating, entered upon mercantile pursuits at Lewiston, Me. His tastes however soon turned his thoughts to the ministry, and he entered the Canton Theological School, from which he graduated with honors in 1870 and immediately became pastor of the church in Brattleboro, Vt., and soon became the Secretary

of the Vermont State Convention, which position he held for eight years. In 1879 he became pastor of the First Church in Worcester, Mass. where he accomplished a great work. In 1890 he was called to the Church of the Redeemer, Chicago. At this place, in Reading, Pa., and All Souls in Worcester, Mass., he continued his successful career, and in 1902 was called to Watertown, where he crowned his life-work with the splendid achievement of one of the most beautiful churches in the denomination.

In 1891 St. Lawrence University conferred upon him the degree of Doctor of Divinity, and he has received elective and appointive honors from many of our denominational institutions.

Dr. Harris was married in 1871 to Zelia E. Wilson of Canton, who survives him. Mrs. Harris was in truth his help-meet supplementing his talents with her own rare ability, and together they lived a ministry which does them honor in having done the world so much good.

After a month's illness, Dr. Harris passed away from this life, at Clifton Springs, N. Y., May 8, 1911.

Rev. Frederick Clarence Priest, D.D., was born at Winchester, N. H., Aug. 26, 1861, and in his young manhood identified himself with the Universalist Church. His opportunities for education were limited but he was a student by taste and of great industry, and while he was employed in mechanical pursuits, he looked for a larger field of service, and in 1886 he entered the Theological School of Tufts College, graduating four years later. His first settlement was at Derby Line, Vt. from there he went to Marblehead and Saugus, Mass., and 1899 was called to the pastorate of the Church of the Redeemer in Chicago, over which he presided with much ability and success until 1906 when a serious illness concluded his work and was the cause of his death which occurred May 15, 1911.

In 1883 Mr. Priest was married to Miss Addie Leith who nobly supported him in his purpose to become a minister and in its work. She died in Chicago in 1902. In 1906 Dr. Priest married Miss Matilda J. Brown of his parish, who survives him.

Dr. Priest was a most devoted minister. A friend says of him: "An able preacher, and indefatigable and conscientious worker, a true disciple of Jesus Christ, he has sown seeds of life which shall bear abundant fruitage in the lives of many."

Rev. William Hooper Dearborn, D.D., who died at St. Albans, Vt., May 20, 1911, was a man of rare attainments, and real achievements in the life of our church. His long pastorate of 16 years in Hartford, Conn., made him conspicuous as one of the strong men of our ministry. He took a large church and breathed into it the breath of spiritual life which has endured and will endure through the years to come. He had also filled successfully pastorates in Jamaica Plain, Augusta, Me., Medford, Peabody, Mass., New York City, and St. Albans, Vt., where he was at work when the summons came for him to go, and he was ready.

As a preacher Dr. Dearborn was a man of exceptional power; to an exquisite grace of style in composition he added gracefulness of manner and always cultivated speech. His sermons were deeply spiritual; his Gospel was the Gospel of the heart and soul, held in masterly mental grasp. He left a lasting impression upon those who heard him preach.

As a man he had all the charm which commands friendship; though modest to a fault, he won to himself a large and loyal circle of those who appreciated and loved him. It was his to go through the dark valley of the shadow, as one by one his family was taken from him until he was almost alone, but the faith which he preached to others upheld him in the hour of need. He is held in fond remembrance as a true minister of Jesus Christ and preacher of his Gospel, as a true man who has blessed the world by his presence in it.

Rev. Elizabeth M. Bruce long time pastor of the Wayside Chapel in Malden, Mass., editor for over thirty years of our Sunday school paper, *The Myrtle*, and minister of good news and goodness to a large community of people and interests, passed to the higher life, on Sunday, Aug. 20, 1911.

Mrs. Bruce was born Sept. 30, 1830 and was therefore nearly eighty-one years of age. She was educated at Clinton Liberal Institute, Ingham University and Antioch College. In 1853 she was married to Rev. James E. Bruce, and as the pastor's wife in many places in New England, proved herself a real minister. When Mr. Bruce passed away from Melrose, Mrs. Bruce built her a cottage and a chapel high up on the rocks in what seemed a most inaccessible place, and there in 1891 was ordained to the ministry, and began what is probably the most unique pastorate in our history.

She conducted service every day in all the years, and to every service someone came, and during the more than twenty years of her pastorate, more than eighty thousand people have joined with her in her hour of worship, and through these services many souls have been uplifted and helped. But this was not all of her ministry; through *The Myrtle* she has ministered to the young people all over the land, and as a visitor in homes, schools, prisons and institutions of benevolence, she has been a constant blessing. Her death came as a benediction upon a fulfilled and completed life.

Rev. John M. Bowers for many years occupied a prominent and influential place in the life of the Universalist Church of the South. As the editor and publisher of our Souther paper, *The Herald*, he was known to all of our people, and he labored with devotion and self-sacrifice to build up the Cause.

Brother Bowers came to his death Sept. 9, 1911 through a painful accident which occurred in the town of Canon, Ga., where he resided, and which was his birth-place, and where he had spent the greater part of his life. He was born Oct. 25, 1851. His early life was spent in the Baptist Church and he was for a number of years a preacher of that faith, and when the church in Canon underwent a transition from the Baptist to the Universalist belief, he became the pastor, and was always a faithful Universalist. He made many missionary journeys through the South. In 1897 he purchased *The Herald*, which he managed for thirteen years, without receiving any personal compensation, until it was turned over to the new company in 1910. Few men have shown such practical devotion as did Mr. Bowers, whose memory will be gratefully held by the whole South.

Rev. George Thompson Knight, D.D., who died on Sunday, Sept. 10, 1911, was one of the ripest scholars of our history, as a Church, and even more than that, he proved himself one of the noblest men with which our ministry has been blessed. One of his closest friends said of him: "By the death of Professor Knight, the world of learning loses an accomplished scholar and profound thinker, Tufts College a beloved teacher, conspicuous for his power to inspire students, the Universalist Church a mind that had shapingly influenced scores of its able and cultured pulpit leaders, and the inner circle of his private life, a rarely sweet and lovable companion. It will be long before we shall look upon his

like again." And this estimate is confirmed by all who knew this remarkable man.

George Thompson Knight was born in South Windham, Me., Oct. 29, 1850, was fitted for College and entered Tufts from which he graduated in 1872, and from the Divinity school in 1875. During the later years of his student life he supplied various pulpits of New England, but his tastes led him to the class room, and his conspicuous ability commanded the opportunity, and during the remainder of his life he fulfilled a royal destiny of training and inspiring other minds to think.

Two volumes from his pen have been published, and a great work on "Theology Old and New" which he had ready for the press at the time of his death will probably be issued during the year.

His wife, who was a daughter of the Rev. Dr. T. J. Sawyer, two sons and daughters, survive him.

The Rev. Dr. Andrew Willson our oldest minister in the Western Reserve, of Ohio, a man loved and honored by everybody, passed into the higher life at Ravena, Ohio, Friday, Nov. 10, 1911.

Andrew Willson was born in South Shenango, Pa., June 30, 1835. He was educated in the public schools, Kingsville Academy and Allegheny College, afterwards entering upon the study of law, but his taste drew him to the ministry and he prepared himself for that. He preached his first sermon in a schoolhouse near his Pennsylvania home, in 1859, and was settled in Willoughby, Ohio, in 1860, being ordained the same year. The story of Dr. Willson's life through the many years following, tells the story of heroic missionary service, and not a few of our churches in Ohio are due to his splendid service as preacher and pastor. For fifty-two years he was a Universalist minister, and in that long period there are no wasted days. In addition to his large service to the Church itself, it was largely due to his efforts that Buchtel College was founded and sustained. Nor did he neglect a duty of the citizen, but was associated with all good works of his town and state and his hand was upon many of the benevolences which blessed the community.

In the great service which Dr. Willson rendered, he proved himself an exceptional man as well as a successful minister. His life was the faithful exemplification of the Gospel he preached, and multitudes rise up and call him blessed.

THE AMERICAN STANDARD BIBLE

Edited by the American Revision Committee

The International Lesson Committee decided by a unanimous resolution to use the text of the American Standard Bible in the Uniform and new Graded Sunday School Lessons because it is more true to the original and requires less explanation than any other.

It is, therefore, used by the Sunday School periodicals published by the great denominational publishing houses and the Sunday School Times, and is also the standard text book for Bible Study Classes, Colleges, Universities, and Theological Seminaries.

The American Standard Bible has now been before the public for ten years, and it continues to grow in popular favor, faster than any translation before it ever did. The demand is so great that the publishers have made this version in eight sizes of type and over 200 styles of binding so as to meet every want. Prices, 35 cts. up.

THE OPTIMIST'S GOOD MORNING

By FLORENCE HOBART PERIN

Size 6½ x 4½ inches, 385 pages. Price, in decorated cloth, $1.00 net; bound in white and gold $1.25 net; in limp morocco binding, gilt top, $1.50 net.

THE happy title of this book does not altogether suggest its purpose and utility, though the book itself is true to its title. It is a book in which to begin each day of the year. Under each day is a noble sentiment, followed by a brief morning prayer. The selections are made, not uniformly, but very largely with reference to their optimistic quality. They breathe the spirit of hopefulness and courage. Free from cant phrases, the prayers are real prayers by the leading ministers of all denominations. The reading of selection and prayer will occupy not more than three or four minutes, and it is believed that many who would like to begin the day with an upward look, but think that they have not the time, will find in this home service book a sure aid to help them face the day with braver heart.

UNIVERSALIST PROFESSION OF BELIEF

AND

CONDITIONS OF FELLOWSHIP

I. The Profession of Belief adopted at the session of the General Convention at Winchester, N. H., 1803, is as follows:

Article I. We believe that the Holy Scriptures of the Old and New Testaments contain a revelation of the character of God and of the duty, interest and final destination of mankind.

Article II. We believe that there is one God, whose nature is Love, revealed in one Lord Jesus Christ, by one Holy Spirit of Grace, who will finally restore the whole family of mankind to holiness and happiness.

Article III. We believe that holiness and true happiness are inseparably connected, and that believers ought to be careful to maintain order and practice good works; for these things are good and profitable unto men.

II. The conditions of fellowship shall be as follows: (Adopted as an amendment to Article III of the Constitution of the General Convention, at its session in Boston, Oct. 23, 1899.)

1. The acceptance of the essential principles of the Universalist Faith, to wit: I. The Universal Fatherhood of God; 2. The spiritual authority and leadership of His Son, Jesus Christ; 3. The trustworthiness of the Bible as containing a revelation from God; 4. The certainty of just retribution for sin; 5. The final harmony of all souls with God.

The Winchester Profession is commended as containing these principles, but neither this nor any other precise form of words is required as a condition of fellowship, provided always that the principles above stated be professed.

2. The acknowledgment of the authority of the General Convention and assent to its laws.

FRANKLIN CO. L.A.

DAYS OF SPECIAL OBSERVANCE

Recommendations by the Universalist General Convention.

1. It is recommended that **Christmas Sunday,** i. e., the Sunday nearest Christmas, be observed by appropriate services.

2. It is recommended that on **Easter Sunday a Service of Recognition** be held, at which time persons baptized in childhood, and others, may be welcomed by suitable rites to membership of the Church.

3. It is recommended that one Sunday be set apart in each year to be denominated **Children's Sunday,**—in all cases, where practicable, **the second Sunday in June,** or as near thereto as possible; that parents and guardians be encouraged and invited to bring their children to the altar on that day for baptism or dedication to the service of the Lord.

4. It is recommended that the **first Sunday of October,** in each year, be set apart as **Memorial Sunday,** for commemorating those friends who, during the year, have been taken away by death.

5. It is recommended that the **first Sunday of November,** in each year, be set apart as **All-Souls Sunday,** for a special celebration of our distinguishing doctrine, the Scriptural truth that all souls are God's children, and that finally, by His grace attending them, they will all be saved from the power of sin, and will live and reign with Him forever in holiness and happiness.

6. It is recommended that the **third Sunday of May,** in each year, be set apart as **Educational Sunday,** for the presentation to the people of the educational interests of our Church. And that on the same day an appeal be made to our **Sunday Schools** for aid in the **Home Missionary Work** of our Church.

7. It is recommended that the **fourth Sunday in November,** in each year, be set apart as **Japan Sunday,** for the presentation of the claims of our **Foreign work** and for soliciting pecuniary aid therefor.

UNIVERSALIST REGISTER

FOR 1913

THE GENERAL CONVENTION

"The Universalist General Convention," having jurisdiction over the ecclesiastical organizations of the Universalist Church in the United States and Canadian Provinces, and wherever else it has churches or missions, meets biennially. The next session—1913—is to be held in Chicago, Ill., on the Wednesday preceding the fourth Sunday in October. The Convention is composed of the Officers of the General Convention, of the Presidents, the Vice-Presidents and the Secretaries of the several State Conventions; and of clerical and lay delegates from the State Conventions, each State being entitled to two clerical and four lay delegates and to an additional number of each class of delegates in proportion to the aggregate of its parishes and clergymen. At least four parishes must be organized and established in a State before a State Convention can be formed, but a less number of parishes may unite to choose two delegates, clerical or lay, to represent them in the General Convention; and if there be one parish so situated, it is entitled to two delegates. In all such States or Territories the General Convention has original jurisdiction.

All laws relating to fellowship, ordination and discipline originate in the General Convention, and it is the final court of appeal in all cases of dispute or difficulty between State Conventions. It is an incorporated body, empowered to hold real and personal estate to the value of five hundred thousand dollars, "to be devoted exclusively to the diffusion of Christian knowledge, by means of missionaries, publications and other agencies." In the interim of sessions the interests of the Convention are watched over and managed by a Board of Trustees.

The Murray Centenary Fund, created in 1870 as a memorial of the one hundredth anniversary of Rev. John Murray's first sermon in America, is the leading fund of the Universalist Church. To this fund there have from time to time been added others of various sums, and under different names, so that the total today is in the neighborhood of $115,013.24. J., to provide means, adopt and execute measures for the preservation of memorials and property endeared to Universalists at Good Luck, N. J., and for holding yearly meetings thereat during each summer in the interest of the Church at large. The Association is incorporated, and at the end of the fiscal year, June 30, 1912, owned $5,000 free of debt. Included in this amount is an Endowment Fund of $1000, now drawing interest at 5 per cent per annum toward defraying any deficit in the running expenses. for two years without interest. The Potter Mansion is now undergoing repair. The deed for the Jeffrey Mansion and farm having also been executed, the Association now practically owns not less than 225 acres of land with two mansions, the Murray Grove House and the Potter Memorial Church. CUBA

Our Cuban Mission is in the care of Rev. Jacob Straub, D. D., residing at Columbia-on-the-Bay. Columbia sympathizes with the general depression of the other colonies, chiefly from political causes, and is much diminished in numbers. The mission still has its important and hopeful features. Though

the Church at Columbia is represented by several denominations co-operating it is under a recognized Universalist pastor who is known as such in all the colonies and beyond, where his visits and pastorate influence extend. The result will be a Universalist constituency ready when prosperity returns to the Island.

JAPAN

The Japanese Mission was begun by the General Convention in 1890. The present missionary staff are Rev. and Mrs. G. I. Keirn, D. D., Rev. and Mrs. Nelson L. Lobdell, Miss Catherine M. Osborn, and Miss M. Agnes Hathaway. The following are the ordained Japanese Clergymen; Rev. M. Midzuhira, Rev. Hisanari Hoshino, Rev. N. Nagano, Rev. Sempo Ito, and Rev. Kyoshi Satoh. The first two are not in active service. The Universalist Convention of Japan meets annually in April. The officers are: Pres.—Rev. N. L. Lobdell; Sec.—Rev. S. Akashi; Treas.— Miss M. A. Hathaway. Resident pastors are employed in three places: Tokyo, Shidzuoka and Nagoya. Akita has a church organization and is called a "visiting station." As the Mission has been unable to supply a resident pastor for Hoden since it came to us from another denomination, it asked permission to withdraw from the denomination, and the request was granted. Through The Universalist, a monthly periodical, and other literature, an excellent influence is sent forth to inquirers. The Blackmer Home is a fine benefaction. It is situated at 50 Takata, Oimatsu-cho, Koishikawa, Tokyo, and in the absence of a hoped-for headquarters, it serves in many practical ways as such. The pastors and associates of the missionaries have the interests of the work at heart and make their influence felt in the communities where they labor. Rev. Mr. Satoh and wife, Mrs. Tame Satoh, were students in America and are known to many Universalists. They are teachers in the Girls' School in Tokyo. The energy of the missionaries and their associates is directed to the work of establishing self-sustaining Univeralist Churches in Japan and to the diffusion of sound principles of domestic and civic life.

Recently Dr. Keirn has made two extensive missionary journeys in the Empire, accompanied by an interpreter. He delivered lectures and distributed literature and held personal interviews. On his return a great shower of letter of inquiry resulted. He feels that the field was never more promising for cultivation than now. The response of our churches in 1912 to the call of the Secretary of the General Convention for contributions resulted in the largest receipts for this purpose in recent years. It is expected that fully $10,000 will be given for the Japan Mission this year.

THE CRANE THEOLOGICAL SCHOOL.

The Crane Theological School is one of the coordinate departments of Tufts College. Students of the School are members of the College, enjoying its privileges and subject to its regulations. The aim of the School is to fit men to be efficient religious leaders in rural or city communities. Because of its proximity to Boston it gives unusual opportunities to its men for the study of social problems, the practice of social service and the acquaintance with religious and social leaders. The new courses are being laid out with especial reference to preparing men for the active ministerial work of modern society.

ADMISSION.

1. The Crane Theological School is open on equal terms to students of every denomination of Christians. Candidates unknown to the Faculty must present satisfactory testimonials as to character.

2. Students holding a Bachelor's degree are admitted to a three years' course without examination, as candidates for the degree of Bachelor of Divinity.

3. Undergraduates who enter for a degree must conform to the regular conditions of admission to the School of Liberal Arts.

4. Special students, not candidates for a degree, may be admitted to such work as they are fitted to undertake.

REQUIREMENTS FOR THE DEGREE OF BACHELOR OF DIVINITY

The School of Liberal Arts has lately decided that certain studies, hitherto pursued in the Theological School only, are properly regarded as culture-studies and therefore offers them to all students.

Taking advantage of this fact, the student who enters college with Greek, and with other good preparation, may so shape his course as to obtain the degree of Bachelor of Arts in four years, and that of Bachelor of Divinity in two more years.

Graduates from other institutions may obtain the degree of Bachelor of Divinity after having completed those parts of the course of this School which have not been included in their previous studies. The time thus required for those holding the degree of A. B. is three years.

CLINTON LIBERAL INSTITUTE

This institution has been moved to Canton by order of its trustees, and its work united with that of the University.

LOMBARD COLLEGE

Lombard College was chartered February 15, 1851, at Galesburg, Illinois, as a protest against the narrowness of the religious education of that day. Since its doors opened to students in the autumn of 1852 it has ever stood for LIBERAL CULTURE. It was the second college in the United States to admit women on an equality with men, and the first graduating class in 1856 included two women and four men. It has a beautiful thirteen acre wooded campus with three college buildings.

The gymnasium (1897) is one of the best and most complete buildings of its kind. Physical Education for women and for men are on a scientific basis.

The new Ladies' Home, Lombard Hall (1896), is a thoroughly modern and refined home under the able guidance of a Lombard alumnus, Mrs. Hale. The Hall enjoys the unusual distinction of having its dining room and kitchen under the supervision of skilled dietitians of the department of Home Economics. This ensures meals that are scientifically balanced.

The College year begins first week in September and closes with Commencement day, the first Wednesday in June.

GREATER LOMBARD.—The Board of Trustees have adopted an aggressive policy and as a part of this onward movement the buildings have been renovated, new equipment provided, the laboratories enlarged, new modern department added, new and larger faculty. A new ideal in College work has been developed—THE PURPOSEFUL College life not an end in itself, but a means toward *specific* service! Vocational guidance! The question of "Where to?" in life is taken up ON ENTRANCE, not two months after graduation.

The work in the various departments is related to what those departments are doing OUTSIDE the four walls of the College. Work is thus vitalized by RELATING TO LIFE.

FINANCIAL CAMPAIGN.—The Board of Trustees has been fortunate in securing as Field Agent, a man so well and favorably known in the denomination, Dr. Franklin J. Drake, a practicing physician of note in Webster City, Iowa, and for years the moving spirit as President of the Iowa Convention, is the man. And he *is* the man, for

already the thrill of his keen business sense is showing in results. Dr. Drake is making a campaign for needed funds and new buildings to accommodate the recent growth of sixty per cent over last year.

Expenses.—Tuition fees are low, $20.00 tuition; $10.00 incidentals per semester. Scientific board in Ladies' Hall, $4.00 per week. Rooms $27.00—$54.00 per year. Excellent accommodations available in private families. Write for catalogue for full information.

BOARD OF TRUSTEES.—A loyal, unselfish group of leaders in all lines of life, watch over the affairs of one of the oldest and best colleges of the West—Lombard. *President,* J. B. Harsh, Creston, Iowa. *Secretary,* F. J. Drake, Galesburg, Ill. *Treasurer,* S. V. Stuckey, Galesburg, Ill. James I. Lombard, Kansas City, Mo.; Rev. Lorenzo Dow Case, D. D., Chicago; Rev. G. E. The Ryder Divinity School.—Lewis B. Fisher, Dean. The Divinity School of Lombard College was opened for the admission of students on the 5th of September, 1881. The first class was graduated in 1885.

At the annual meeting of the Board of Trustees in 1890, it was voted to name the theological department of the College the Ryder

Divinity School, in honor of the late William Henry Ryder, D. D., whose munificent bequests to the College exceed fifty thousand dollars. The largest benefaction to the Divinity School from any other source was received from the late Hon. A. G. Throop. In 1890 Mr. Throop gave twenty thousand dollars toward the endowment. Mr. Cushing Jones also gave generously.

Tuition in the Divinity School is free to those studying for the Christian ministry. Admission requirements will be explained on request.

In June, 1912, the Trustees voted to affiliate Ryder with the University of Chicago Divinity School, under the rules for allied organizations.

All Ryder students now have all benefits of the University. For catalogues and full information, write to the Dean at University of Chicago.

BUCHTEL COLLEGE, AKRON, OHIO

The Ohio Universalist Convention founded Buchtel College in 1870. Through the generosity of her citizens, Akron secured the location of the College, and it was named after her most generous benefactor, the Hon. John R. Buchtel.

September 11, 1872, the College opened her doors for students of both sexes. From that time on she has steadily gained in efficiency and reputation.

Three four-year courses of study are offered, leading to the degrees of A. B., Ph. B., and S. B.

A large *Athletic Field* and a capacious and well appointed *Gymnasium,* with a special instructor for both sexes, are provided for physical training.

BUCHTEL ACADEMY is in a separate building with a separate faculty, and offers courses accredited by the best colleges.

GODDARD SEMINARY.

The Seminary is situated at Barre, Vt., the Granite City, and is easy of access by rail from points within the State or at a distance.

Four courses of study are offered. The academic course includes a knowledge of the ordinary English branches and the Sciences, with at least four years spent on languages. By omitting two years of the languages, an English course is formed similar to the ordinary course in schools of this grade. The college preparatory course fits the student for any college, while including some useful studies not required for admission. The academic course is designed for such students as do not purpose attending college, but desire the best education a secondary school can give them. There is opportunity in this course, therefore, for studying the ancient and modern languages, mathematics, science, English literature, rhetoric and history. A state teachers' course with practice work in the public schools of Barre city and town, gives a three years' certificate to teach in the Vermont schools.

Each of the courses occupies four years, and a diploma is given at the completion of any one of them.

Both sexes are admitted. The atmosphere of the school is made as homelike as possible, while suitable restraints are imposed. A multiplicity of rules is avoided, however, much being left to each student's honor and sense of propriety.

The department of instrumental music is well conducted. The reputation of this department is very high. Diplomas will be given to students satisfactorily completing the course in Music.

Vocal music is also taught by a teacher of reputation and experience. Her work gives general satisfaction.

The school is supplied with anatomical models, charts, globes, microscopes, a cabinet of minerals, apparatus for chemistry and natural philosophy, and a library of three thousand volumes.

A gymnasium, erected and equipped by the alumni and friends, gives ample opportunity for physical development. Care will be taken to have proper physical examination, and exercises will be in charge of competent instructors.

A commercial department, recently established, gives instruction in all branches taught in the best business colleges.

The Thompson Memorial Building furnishes every facility to twenty-eight students to board themselves.

Fund.—The permanent fund amounts to $112,000 and will be materially increased by bequests subject to life interest.

Expenses.—Board, $4.00 per week, including room rent, steam heat, light and washing. The charge for tuition is $15 per term. Twelve free scholarships pay the tuition of those pupils meeting the requirements. School charges for the year amount to $200.

WESTBROOK SEMINARY

This institution, the oldest active school in the denomination, is a boarding and day school of the highest standards for both sexes. Its charter was granted in 1831 by the State of Maine, and in 1863 was amended so as to give the Seminary the authority of a woman's college. Located in that part of Portland which was formerly Westbrook and was later erected into the city of Portland, it enjoys the adavatages of the city and country alike, while the centering of railroad and steamship lines at Portland makes it easily accessible from anywhere.

The grounds are spacious; the buildings convenient and comfortable. Hersey and Goddard Halls, the dormitories respectively of the young ladies and of the young men, are connected by the Dining Hall, and afford accommodations for about one hundred students. These halls are well equipped with modern improvements and are kept in thorough repair. Alumni Hall contains the principal recitation rooms, the laboratories of Chemistry, Physics, Biology and Photography, as well as the Cabinet of Minerals, Fossils and Zoological Specimens. The other buildings are the McArthur Gymnasium, and the Moulton Chapel.

The course of study is carefully planned to allow a large freedom of election, but at the same time to ensure each graduate a good general education as well as a preparation more than sufficient for admission to college. Special advantages in the way of advanced work are offered to graduates of other schools who wish to anticipate some of their college work. Among the courses offered are: Four years in English, six in Mathematics, nine in Science, five in History, six in Latin, four each in Greek, German, French, Piano, Voice Culture, and Elocution, and one in Pedagogy and School Management.

The regular expenses for the school year amount to $240, not including books.

UNIVERSALIST PROFESSION OF BELIEF

AND

CONDITIONS OF FELLOWSHIP

I. The Profession of Belief adopted at the session of the General Convention at Winchester, N. H., 1803, is as follows:

Article I. We believe that the Holy Scriptures of the Old and New Testaments contain a revelation of the character of God and of the duty, interest and final destination of mankind.

Article II. We believe that there is one God, whose nature is Love, revealed in one Lord Jesus Christ, by one Holy Spirit of Grace, who will finally restore the whole family of mankind to holiness and happiness.

Article III. We believe that holiness and true happiness are inseparably connected, and that believers ought to be careful to maintain order and practise good works; for these things are good and profitable unto men.

II. The *conditions of fellowship* shall be as follows: (Adopted as an amendment to Article III of the Constitution of the General Convention, at its session in Boston, Oct. 23, 1899.)

1. The acceptance of the essential principles of the Universalist Faith, to wit: 1. The Universal Fatherhood of God; 2. The Spiritual authority and leadership of His Son, Jesus Christ; 3. The trustworthiness of the Bible as containing a revelation from God; 4. The certainty of just retribution for sin; 5. The final harmony of all souls with God.

The Winchester Profession is commended as containing these principles, but neither this nor any other precise form of words is required as a condition of fellowship, provided always that the principles above stated be professed.

2. The acknowledgment of the authority of the General Convention and assent to its laws.

DAYS OF SPECIAL OBSERVANCE

Recommendations by the Universalist General Convention

1. It is recommended that *Christmas Sunday*, i.e., the Sunday nearest Christmas, be observed by appropriate services.

2. It is recommended that on *Easter Sunday a Service of Recognition* be held, at which time persons baptized in childhood, and others, may be welcomed by suitable rites to membership of the Church.

3. It is recommended that one Sunday be set apart in each year to be denominated *Children's Sunday*,—in all cases, where practicable, *the second Sunday in June*, or as near thereto as possible; that parents and guardians be encouraged and invited to bring their children to the altar on that day for baptism or dedication to the service of the Lord.

4. It is recommended that the *first Sunday of October*, in each year, be set apart as *Memorial Sunday*, for commemorating those friends who, during the year, have been taken away by death.

5. It is recommended that the *first Sunday of November*, in each year, be set apart as *All-Souls Sunday*, for a special celebration of our distinguishing doctrine, the Scriptural truth that all souls are God's children, and that finally, by His grace attending them, they will all be saved from the power of sin, and will live and reign with Him forever in holiness and happiness.

6. It is recommended that the *third Sunday of May*, in each year, be set apart as *Educational Sunday*, for the presentation to the people of the educational interests of our Church. And that on the same day an appeal be made to our *Sunday Schools* for aid in the *Home Missionary Work* of our Church.

7. It is recommended that the *fourth Sunday in November*, in each year, be set apart as *Japan Sunday*, for the presentation of the claims of our *Foreign work* and for soliciting pecuniary aid therefor.

UNIVERSALIST REGISTER

FOR 1914

THE GENERAL CONVENTION

"The Universalist General Convention," having jurisdiction over the ecclesiastical organizations of the Universalist Church in the United States and Canadian Provinces, and wherever else it has churches or missions, meets biennially. The next session—1915—is to be held in Pasadena and Los Angeles, Cal., in July. The Convention is composed of the Officers of the General Convention, of the Presidents, the Vice-Presidents and the Secretaries of the several State Conventions, and of clerical and lay delegates from the State Conventions, each State being entitled to two clerical and four lay delegates and to an additional number of each class of delegates in proportion to the aggregate of its parishes and clergymen. At least four parishes must be organized and established in a State before a State Convention can be formed, but a less number of parishes may unite to choose two delegates, clerical, or lay, to represent them in the General Convention; and if there be one parish so situated, it is entitled to two delegates. In all such States or Territories the General Convention has original jurisdiction.

All laws relating to fellowship, ordination and discipline originate in the General Convention, and it is the final court of appeal in all cases of dispute or difficulty between State Conventions. It is an incorporated body, empowered to hold real and personal estate to the value of five hundred thousand dollars, "to be devoted exclusively to the diffusion of Christian knowledge, by means of missionaries, publications and other agencies." In the interim of sessions the interests of the Convention are watched over and managed by a Board of Trustees.

The Murray Centenary Fund, created in 1870 as a memorial of the one hundredth anniversary of Rev. John Murray's first sermon in America, is the leading fund of the Universalist Church. To this fund there have from time to time been added others of various sums, and under different names, so that the total to-day is in the neighborhood of $115,013.24. The sums have been named in former numbers of *The Register*. The Report of the General Convention of the Universalist Church extends into detail concerning them.

Murray Grove Association. This Association was organized Aug. 24, 1886, at the Potter Memorial Church, Good Luck, N. J., to provide means, adopt and execute measures for the preservation of memorials and property endeared to Universalists at Good Luck, N. J., and for holding yearly meetings thereat during each summer in the interest of the Church at large. The Association is incorporated, and at the end of the fiscal year, June 30, 1913, owned $5,000 worth of real estate, free of debt. In addition to this amount is an Endowment Fund of $1,000, now drawing interest at 5 per cent per annum toward defraying any deficit in the running expenses. At the meetings of August, 1909, the Potter Mansion and farm were purchased at a cost of $4,000, of which $1,000 was contributed then and there and the balance of $3,000 was advanced by two members of the Association as a loan for two years without interest. This amount has now been raised and repaid, and the entire real estate covering 225 acres placed in the hands of the General Convention to be held in trust for the Association. On this property is located the Murray Grove House, the Potter Mansion, the Potter Memorial Church, the Ballou House and several smaller buildings. A farm superintendent is now located on the property and will have full direction of the development of the farm and the raising of farm produce for use during the summer meetings. The Potter Mansion is now undergoing repair. By an amicable arrangement it has also the unrestricted use of the Old Potter Meeting House during the August meetings. Have we not here a denominational shrine worthy of the time and money of Universalists throughout the country? The annual membership dues are $1.00. Life membership, $25. Pres.—Dr. F. A. Osborn, and Miss M. Agnes Hathaway. The following are the ordained Japanese clergymen: Rev. M. Midzuhira, Rev. Hisanari Hoshino, Rev. N. Nagano, Rev. Sempo Ito, and Rev. O. Matsuo. The second is not in active service. The Universalist Convention of Japan meets annually in April. The officers are: Pres.—Rev. N. L. Lobdell; Sec.—Rev. S. Akashi; Treas.—Miss M. A. Hathaway.

We have a church and a Sunday school in Nagoya; a church, Sunday school and night school for boys with fifty pupils in Shidzuoka; a church and Sunday school in Akita; a church and two Sunday schools in Tokyo. Besides this regular church work, Mr. Lobdell has a Bible class on Wednesday evening for young men, and Mrs. Lobdell a class for children on Sunday, in their home. Two miles from the central church in Tokyo is the Blackmer girls' home, where we have our second Sunday

school. On the grounds of the home is our free kindergarten with eighty pupils, which school is taught a Sunday school lesson each Saturday. With the exception of the Shidzuoka night school and the above kindergarten, we have no schools and have not had for years. We think it best to leave secular education to the government schools and confine ourselves to the more direct religious work for which we came, especially since we have more of this than we can do. The Blackmer Home is not a rescue home, as so many of our American friends seem to think. It is simply a place where girls of good character may live under Christian influence while they are going to school. For the past few years there has been an average of seventeen such resident girls in the home, and usually four or five of them are in training for Sunday school teaching or other Christian work. Including all our religious services, Sunday schools, lectures and other gatherings, there is an average of twenty-five meetings each week throughout the entire mission in which the Bible or some phase of the Christian religion is taught. The aggregate attendance on all these occasions is somewhat more than five hundred per week. Besides these many others are reached every week through individual work. We have five native ministers, four of them active. There are six other paid teachers and workers, three of them giving all their time to the mission. Many of our church members render valuable volunteer services as they do in our home churches. Our church membership, resident and non-resident, is about five hundred. We have three hundred and fifty members in our Sunday schools. In Tokyo we own the land and buildings of the central church, Blackmer Home and kindergarten. In Nagoya we own a small chapel on rented ground. In other places our people carry on their work in such private houses as we are able to rent. The following will show the facts in brief.

Summary

Missionaries 4; churches 4; native ministers 5; other teachers and paid workers 6; Sunday schools 5; night school 1; kindergarten 1; girls' home 1; church buildings 2; other buildings 2; total church membership about 500; members of Sunday schools 350.

TUFTS COLLEGE

ACCEPTED BY THE CARNEGIE FOUNDATION

This college is situated at Tufts College, in the cities of Medford and Somerville, Mass. It was incorporated in 1852, and opened for students in 1855. Departments: School of Liberal Arts; Jackson College for Women; Crane Theological School; Medical School (located in Boston); Dental School (located in Boston); Engineering School; Bromfield-Pearson School, connected with the Engineering School; Graduate School. For catalogue, address the Registrar, Tufts College, Mass.

THE CRANE THEOLOGICAL SCHOOL

The Crane Theological School is one of the co-ordinate departments of Tufts College. Students of the School are members of the College, enjoying its privileges and subject to its regulations. The aim of the School is to fit men to be efficient religious leaders in rural or city communities. Because of its proximity to Boston it gives unusual opportunities to its men for the study of social problems, the practise of social service and acquaintance with religious and social leaders. The new courses are being laid out with especial reference to preparing men for the active ministerial work of modern society.

ADMISSION

1. The Crane Theological School is open on equal terms to students of every denomination of Christians. Candidates unknown to the Faculty must present satisfactory testimonials as to character.

2. Students holding a Bachelor's degree are admitted to a three years' course without examination, as candidates for the degree of Bachelor of Divinity.

3. Undergraduates who enter for a degree must conform to the regular conditions of admission to the School of Liberal Arts.

4. Special students, not candidates for a degree, may be admitted to such work as they are fitted to undertake.

REQUIREMENTS FOR THE DEGREE OF BACHELOR OF DIVINITY

The School of Liberal Arts has lately decided that certain studies, hitherto pursued in the Theological School only, are properly regarded as culture-studies, and therefore offers them to all students. Taking advantage of this fact, the student who enters college with Greek, and with other good preparation, may so shape his course as to obtain the degree of Bachelor of Arts in four years, and that of Bachelor of Divinity in two more years.

A five year course is offered those who do not enter with the A. B. degree. This course combines the culture studies of the A. B. course with the regular studies of the theological course, and gives the student the B. D. degree.

Graduates from other institutions may obtain the degree of Bachelor of Divinity after having completed those parts of the course of this School which have not been included in their previous studies. The time thus required for those holding the degree of A. B. is three years.

CLINTON LIBERAL INSTITUTE

This institution has been moved to Canton by order of its trustees, and its work united with that of the University.

LOMBARD COLLEGE

Lombard College was chartered Feb. 15, 1851, at Galesburg, Ill., as a protest against the narrowness of the religious education of that day. Since its doors opened to students in the autumn of 1852 it has ever stood for liberal culture. It was the second college in the United States to admit women on an equality with men, and the first graduating class in 1856 included two women and four men. It has a beautiful thirteen acre wooded campus on which stand eight buildings, one of which is the president's residence.

The rapid growth of the school in recent years has necessitated a 40 foot three story addition to Lombard Hall, to accommodate the young women. Here, in a *real home atmosphere,* our young women are carefully supervised, and their health given attention as well as their studies and social interests.

The efficiency ideals of Lombard made imperative the placing of the new model dining-room and model kitchen under the skilled dietetic supervision of the Department of Home Science. This ensures meals that are scientifically balanced.

A new 60 x 90 foot gymnasium is now nearing completion. This will be the men's gymnasium, and the present gymnasium will become a women's gymnasium.

"THE LOMBARD IDEA"—"Where he is going" and "How college can help him get there" are the first two questions raised with the registering student at Lombard.

Vocational guidance is offered under experts trained both here and abroad.

President Hurt has equipped a psychological laboratory where each student is tested out—that he may know something of his mental strength and interests, and thus be trained and guided more intelligently.

Again, in every department what is done within the walls is related definitely to what is being done outside the four walls.

Mathematics is related to physics and engineering. Native teachers guarantee that our languages will be spoken. Chemistry becomes industrial and sanitary. Farm and home science, bacteriology, etc., meet human needs.

Everything is related to life—for which college seeks to prepare.

Expenses.—Tuition fees are low, $20.00 tuition; $14,00 incidentals per semester. Scientific board in Ladies' Hall, $160.00

per year. Rooms $36.00 to $72.00 per year. Excellent accommodations available in private families. Write for catalogue for full information.

BOARD OF TRUSTEES.—A loyal, unselfish group of leaders, in all lines of life, watch over the affairs of one of the oldest and best colleges of the West—Lombard. *The Corporation.—President*, J. B. Harsh, Creston, Ia.; *Secretary*, Franklin J. Drake, M. D., Galesburg, Ill.; *Treasurer*, Frank L. Conger, A. B., Galesburg; *Executive Committee*, J. D. Welsh, B. At the annual meeting of the Board of Trustees in 1890, it was voted to name the theological department of the college the Ryder Divinity School, in honor of the late William Henry Ryder, D. D., and commemorating his munificent bequests to the college.

Tuition in the Divinity School is free to those studying for the Christian ministry. Admission requirements will be explained on request.

In June, 1912, the Trustees voted to affiliate Ryder with the University of Chicago Divinity School, under the rules for allied organizations.

All Ryder students now have all benefits of the university. For catalogues and full information, write to the Dean at University of Chicago.

DEAN ACADEMY

Dean Academy is a boarding and day school of the highest grade for young women and young men. It is situated in Franklin, Mass., about half way between Boston and Providence, on the N. Y., N. H. & H. Railroad, and is easily accessible from New England, New York and the West.

The Academy was incorporated in 1865, and takes its name from the late Dr. Oliver Dean of Franklin, who provided for its foundation with generous munificence. A substantial and commodious gymnasium and the Ray Science Building for laboratory purposes comprise the equipment in buildings. The large endowment of over $150,000 enables the school to provide liberally the best instruction and a most comfortable home. GODDARD SEMINARY

The Seminary is situated at Barre, Vt., the Granite City, and is easy of access by rail from points within the state or at a distance.

Four courses of study are offered. The academic course includes a knowledge of the ordinary English branches and the Sciences, with at least four years spent on languages. By omitting two years of the languages, an English course is formed similar to the ordinary course in schools of this grade. The college preparatory course fits the student for any college, while including some useful studies not required for admission. The academic course is designed for such students as do not purpose attending college, but desire the best education a secondary school can give them. There is opportunity in this course, therefore, for studying the ancient and modern languages, mathematics, science, English literature, rhetoric and history. A state teachers' course with practice work in the public schools of Barre city and town, gives a four years' certificate to teach in the Vermont schools.

A two years' course in Domestic Science was introduced last year. Adequate equipment was installed for the different departments of this course, and the work is very attractive to girls.

Each of the courses occupies four years, and a diploma is given at the completion of any one of them.

Both sexes are admitted. The atmosphere of the school is made as homelike as possible, while suitable restraints are imposed. A multiplicity of rules is avoided, however, much being left to each student's honor and sense of propriety.

The department of instrumental music is well conducted. The reputation of this department is very high. Diplomas will be given to students satisfactorily completing the course in Music.

Vocal music is also taught by a teacher of reputation and experience. His work gives general satisfaction.

The school is supplied with anatomical models, charts, globes, microscopes, a cabinet of minerals, apparatus for chemistry and natural philosophy, and a library of three thousand volumes.

A gymnasium, erected and equipped by the alumni and friends, gives ample opportunity for physical development. Care will be taken to have proper physical examination, and exercises will be in charge of competent instructors.

A commercial department, recently established, gives instruction in all branches taught in the best business colleges.

The Thompson Memorial Building furnishes every facility to twenty-eight students to board themselves.

Fund.—The permanent fund amounts to $130,000, and will be materially increased by bequests subject to life interest.

Expenses.—Board, $4.00 per week, including room rent, steam heat, light and washing. The charge for tuition is $15 per term. Twelve free scholarships pay the tuition of those pupils meeting the requirements. School charges for the year amount to $200.

WESTBROOK SEMINARY

This institution, the oldest active school in the denomination, is a boarding and day school of the highest standards for both sexes. Its charter was granted in 1831 by the state of Maine, and in 1863 was amended so as to give the Seminary the authority of a woman's college. Located in that part of Portland which was formerly Westbrook and was later erected into the city of Portland, it enjoys the advantages of the city and country alike, while the centering of railroad and steamship lines at Portland makes it easily accessible from anywhere.

The grounds are spacious, the buildings convenient and comfortable. Hersey and Goddard Halls, the dormitories respectively of the young ladies and of the young men, are connected by the Dining Hall, and afford accommodations for about one hundred students. These halls are well equipped with modern improvements and are kept in thorough repair. Alumni Hall contains the principal recitation rooms, the laboratories of Chemistry, Physics, Biology and Photography, as well as the Cabinet of Minerals, Fossils and Zoological Specimens. The other buildings are the McArthur Gymnasium, and the Moulton Chapel.

The course of study is carefully planned to allow a large freedom of election, but at the same time to ensure each graduate a good general education as well as a preparation more than sufficient for admission to college. Special advantages in the way of advanced work are offered to graduates of other schools who wish to anticipate some of their college work. Among the courses offered are: Four years in English, six in Mathematics, nine in Science, five in History, six in Latin, four each in Greek, German, French, Piano, Voice Culture, and Elocution, and one in Pedagogy and School Management.

The regular expenses for the school year amount to $240, not including books.

Board of Trustees.—Terms expire 1914: Rev. Harrison S. Whitman, Litt. D., 696 Stevens Ave., Portland; Hon. John P. Swasey, Canton; Harold B. Little's Cross and Crown System

Doubles Sunday School Attendance and Offerings

How to Use the System

Begin by presenting every scholar with the No. 0 celluloid pin. For every term of three months' uninterrupted attendance the pupil earns a reward. For the first term the No. 1 pin; for the second the No. 2 pin; for the third the No. 3 pin; for the fourth the No. 6 pin. Thirteen consecutive Sundays may be considered as three months. Pupils absent without a satisfactory excuse lose the interrupted term, but may begin a new term the next Sunday they attend, continuing to wear the pin already earned.

Each pin obtained is to be worn until the next higher grade is earned, but surrendered upon receiving the new one. The No. 6 solid gold pin is presented outright, and with it a handsome lithographed certificate, 9 x 11 inches, with seal and ribbon attached (for framing). For each additional reward earned another seal and ribbon is attached. These certificates are free to schools. Send for sample.

The System pays for itself by increased offerings as evidenced by numerous testimonials, and may be started successfully at any time. This has been repeatedly proven by actual results.

№0

No. 0 celluloid pin color blue and white, 1 cent each.

№1

No. 1 Bronze Cross and Crown Pin, 6 cents each.

№2

No. 2 gunmetal finished pin, blue enameled cross, white ribbon, red background, 15 cents each.

№3

No. 3 solid silver hand engraved pin, red enameled cross, white ribbon, blue background, 30 cents each.

№6

No. 6 solid gold hand engraved pin red cross, blue ribbon, white background, enameled, 85 cents each.

A handsome leaflet lithographed in colors and bronzes describing the use of the System goes with every No. 0 pin.

We put up a sample set of five pins in an attractive velvet box. These are sent on approval to be returned in thirty days

Special names on No. 0 pins cost 50c. extra. On Nos. 1, 2, 3 and 6 $4.00 extra; the $4.00 will be refunded in case 50 of one of the numbers 2, 3 or 6 are ordered at one time.

Cross and Crown Pins Pay for Themselves

"The Cross and Crown system increased our school more than 50%, the offerings nearly 300%."—Jacob Miller, Supt. S. S., Arcanum, Ohio.

"Our school has doubled in attendance, contributions quadrupled, and the interest is intense."—J. L. P. Beeman, Supt. S. S., Oblong, Ill.

"The increased collections will more than pay for the pins, in fact we have assumed $150 per year of the interest on the Church debt."—W. E. Griffin, Secretary S. S., New Brighton, Pa.

"Have used Cross and Crown System three years, attendance sure to grow and pay for the pins."—F. G. McCullough, Supt. S. S., Conesville, Iowa.

"The Cross and Crown System is self-supporting."—Harold I. McKeever, Cor. Secretary S. S., Brownsville, Pa.

"More than pleased, increase in attendance over 100%, in collections even greater. Delighted."—John E. Barnard, Supt., Cartersville, Ga.

UNIVERSALIST PROFESSION OF BELIEF

AND

CONDITIONS OF FELLOWSHIP

I. The Profession of Belief adopted at the session of the General Convention at Winchester, N. H., 1803, is as follows:

Article I. We believe that the Holy Scriptures of the Old and New Testaments contain a revelation of the character of God and of the duty, interest and final destination of mankind.

Article II. We believe that there is one God, whose nature is Love, revealed in one Lord Jesus Christ, by one Holy Spirit of Grace, who will finally restore the whole family of mankind to holiness and happiness.

Article III. We believe that holiness and true happiness are inseparably connected, and that believers ought to be careful to maintain order and practise good works; for these things are good and profitable unto men.

II. The *conditions of fellowship* shall be as follows: (Adopted as an amendment to Article III of the Constitution of the General Convention, at its session in Boston, Oct. 23, 1899.)

1. The acceptance of the essential principles of the Universalist Faith, to wit: 1. The Universal Fatherhood of God; 2. The Spiritual authority and leadership of His Son, Jesus Christ; 3. The trustworthiness of the Bible as containing a revelation from God; 4. The certainty of just retribution for sin; 5. The final harmony of all souls with God.

The Winchester Profession is commended as containing these principles, but neither this nor any other precise form of words is required as a condition of fellowship, provided always that the principles above stated be professed.

2. The acknowledgment of the authority of the General Convention and assent to its laws.

DAYS OF SPECIAL OBSERVANCE

Recommendations by the Universalist General Convention

1. It is recommended that *Christmas Sunday*, i.e., the Sunday nearest Christmas, be observed by appropriate services.

2. It is recommended that on *Easter Sunday a Service of Recognition* be held, at which time persons baptized in childhood, and others, may be welcomed by suitable rites to membership of the Church.

3. It is recommended that one Sunday be set apart in each year to be denominated *Children's Sunday*,—in all cases, where practicable, *the second Sunday in June*, or as near thereto as possible; that parents and guardians be encouraged and invited to bring their children to the altar on that day for baptism or dedication to the service of the Lord.

4. It is recommended that the *first Sunday of October*, in each year, be set apart as *Memorial Sunday*, for commemorating those friends who, during the year, have been taken away by death.

5. It is recommended that the *first Sunday of November*, in each year, be set apart as *All-Souls Sunday*, for a special celebration of our distinguishing doctrine, the Scriptural truth that all souls are God's children, and that finally, by His grace attending them, they will all be saved from the power of sin, and will live and reign with Him forever in holiness and happiness.

6. It is recommended that the *third Sunday of May*, in each year, be set apart as *Educational Sunday*, for the presentation to the people of the educational interests of our Church. And that on the same day an appeal be made to our *Sunday Schools* for aid in the *Home Missionary Work* of our Church.

7. It is recommended that the *fourth Sunday in November*, in each year, be set apart as *Japan Sunday*, for the presentation of the claims of our *Foreign work* and for soliciting pecuniary aid therefor.

UNIVERSALIST REGISTER

FOR 1915

THE GENERAL CONVENTION

"The Universalist General Convention," having jurisdiction over the ecclesiastical organizations of the Universalist Church in the United States and Canadian Provinces, and wherever else it has churches or missions, meets biennially. The next session—1915—is to be held in Pasadena and Los Angeles, Cal., in July. The Convention is composed of the Officers of the General Convention, of the Presidents, the Vice-Presidents and the Secretaries of the several State Conventions, and of clerical and lay delegates from the State Conventions, each State being entitled to two clerical and four lay delegates and to an additional number of each class of delegates in proportion to the aggregate of its parishes and clergymen. At least four parishes must be organized and established in a State before a State Convention can be formed, but a less number of parishes may unite to choose two delegates, clerical, or lay, to represent them in the General Convention; and if there be one parish so situated, it is entitled to two delegates. In all such States or Territories the General Convention has original jurisdiction.

All laws relating to fellowship, ordination and discipline originate in the General Convention, and it is the final court of appeal in all cases of dispute or difficulty between State Conventions. It is an incorporated body, empowered to hold real and personal estate "to be devoted exclusively to the diffusion of Christian knowledge, by means of missionaries, publications and other agencies." In the interim of sessions the interests of the Convention are watched over and managed by a Board of Trustees.

The Murray Centenary Fund, created in 1870 as a memorial of the one hundredth anniversary of Rev. John Murray's first sermon in America, is the leading fund of the Universalist Church. To this fund there have from time to time been added others of various sums, and under different names, so that the total to-day is in the neighborhood of $450,000.00. The sums have been named in former numbers of *The Register*. The Report of the General Convention of the Universalist Church extends into detail concerning them.

Ferry Beach Park Association, meetings each year at Ferry Beach Park. This association held its thirty-third season of summer meetings last year. The organization was founded by the late Rev. Q. H. Shinn, D. D., and for sixteen years was at the Weirs, N. H., three years at Saratoga Springs, and for thirteen years has been located at Ferry Beach, which is near Old Orchard, Me. The plant includes two hotels—the Quillen and the Underwood. The association is incorporated and possesses property nearly $10,000 in value. The meetings attract such crowds that the present quarters are not large enough. Preparations are being made to secure a new building which shall be known as the Perkins Memorial Building, in honor of the late Rev. O. H. Perkins, who served so faithfully as president. The Institutes are features aiming always for greater church work in the denomination. Last year the program was devoted to the work of the Sunday School, Y. P. C. U., Mission Study, W. N. M. A., Boy Scouts of America and Camp-fire Girls. This year a similar work will be undertaken.

The rates are nine dollars per week at the Quillen and ten dollars at the Underwood. The annual membership dues are $1.00; life membership $25. The officers are: President, Rev. Fred C. Leining, Biddeford, Me.; Vice-Presidents, Rev. E. C. Downey, Norwood, Mass., Dr. W. R. Rowland, East Corinth, Vt.; Secretary, C. F. Elsner, Boston, Mass.; Treasurer, E. P. Murray Grove Association—This Association was organized Aug. 24, 1886, at the Potter Memorial Church, Good Luck, N. J., to provide means, adopt and execute measures for the preservation of memorials and property endeared to Universalists at Good Luck, N. J., and for holding yearly meetings thereat during each summer in the interest of the church at large. The Association is incorporated, and at the end of the fiscal year, June 30, 1914, owned $5,000 worth of real estate, free of debt.

In addition to this amount is an Endowment Fund of $1,000, now drawing interest at 5 per cent per annum toward defraying any deficit in the running expenses. At the meetings of August, 1909, the Potter Mansion and farm were purchased at a cost of $4,000, of which $1,000 was contributed then and there and the balance of $3,000 was advanced by two members of the Association as a loan for two years without interest. This amount has now been raised and repaid, and the entire real estate covering 225 acres placed in the hands of the General Convention to be held in trust for the Association. On this property are located the Murray Grove House, the Potter Mansion, the Potter Memorial Church, the Ballou House and several smaller buildings. A farm superintendent is now located on the property and will have full direction of the development of the farm and the raising of farm produce for use during the summer meetings. The Potter Mansion has been restored and repaired and was formally dedicated by impressive services on Sunday, August 16, 1914. By an amicable arrangement the Association has also the unrestricted use of the Old Potter Meeting House during the August meetings. Have we not here a denominational shrine worthy of the time and money of Universalists throughout the country? The annual membership dues are $1.00. Life membership, $25. President, Rev. William H. McGlauflin, D. D., Chicago, Ill.; Vice-President, James B. Knapp, New York City; Recording Secretary, Miss Ida Ritter East, 217 Madison St., Brooklyn, N. Y.; Financial Secretary, Rev. W. H. JAPAN

The Japanese Mission was begun by the General Convention in 1890. The present missionary staff are Rev. and Mrs. G. I. Keirn, D. D., Rev. and Mrs. Nelson L. Lobdell, Miss Catherine M. Osborn, and Miss M. Agnes Hathaway. The following are the ordained Japanese clergymen: Rev. M. Midzuhira, Rev. Hisanari Hoshino, Rev. N. Nagano, Rev. Sempo Ito, and Rev. O. Matsuo. The second is not in active service. The Universalist Convention of Japan meets annually in April. The officers are: Pres., Rev. G. I. Keirn; Sec. and Treas., Rev. N. L. Lobdell.

We have a church and a Sunday school in Nagoya; a church, Sunday school and night school for boys with fifty pupils in Shidzuoka; a church and Sunday school in Akita; a church and two Sunday schools in Tokyo. Besides this regular church work, Mr. Lobdell has a Bible class on Wednesday evening for young men, and Mrs. Lobdell a class for children on Sunday, in their home. Two miles from the central church in Tokyo is the Blackmer girls' home, where we have our second Sunday school. On the grounds of the home is our free kindergarten with eighty pupils, which school is taught a Sunday school lesson each Saturday. With the exception of the Shidzuoka night school and the above kindergarten, we have no schools, and have not had for years. We think it best to leave secular education to the government schools and confine ourselves to the more direct religious work for which we came, especially since we have more of this than we can do. The Blackmer Home is not a rescue home, as so many of our American friends seem to think. It is simply a place where girls of good character may live under Christian influence while they are going to school. For the past few years there has been an average of seventeen such resident girls in the home, and usually four or five of them are in training for Sunday school teaching or other Christian work. Including all our religious services, Sunday

schools, lectures and other gatherings, there is an average of twenty-five meetings each week throughout the entire mission in which the Bible or some phase of the Christian religion is taught. The aggregate attendance on all these occasions is somewhat more than five hundred per week. Besides these many others are reached every week through individual work. We have five native ministers, four of them active. There are six other paid teachers and workers, three of them giving all their time to the mission. Many of our church members render valuable volunteer services as they do in our home churches. Our church membership, resident and non-resident, is about five hundred. We have three hundred and fifty members in our Sunday schools. In Tokyo we own the land and buildings of the central church, Blackmer Home and kindergarten. In Nagoya we own a small chapel on rented ground. In other places our people carry on their work in such private houses as we are able to rent. The following will show the facts in brief.

Summary

Missionaries 4; churches 4; native ministers 5; other teachers and paid workers 6; Sunday schools 5; night school 1; kindergarten 1; girls' home 1; church buildings 2; other buildings 2; total church membership about 500; members of Sunday schools 350.

Colleges, Theological Schools and Academies

TUFTS COLLEGE

This college is situated at Tufts College, in the cities of Medford and Somerville, Mass. It was incorporated in 1852, and opened for students in 1855. Departments: School of Liberal Arts; Jackson College for Women; Crane Theological School; Medical School (located in Boston); Dental School (located in Boston); Engineering School; Bromfield-Pearson School, connected with the Engineering School; Graduate School. For catalogue, address the Registrar, Tufts College, Mass.

THE CRANE THEOLOGICAL SCHOOL

The Crane Theological School is one of the co-ordinate departments of Tufts College. Students of the School are members of the College, enjoying its privileges and subject to its regulations. The aim of the School is to fit men to be efficient religious leaders in rural or city communities. Because of its proximity to Boston it gives unusual opportunities to its men for the study of social problems, the practise of social service and acquaintance with religious and social leaders. The new courses are being laid out with especial reference to preparing men for the active ministerial work of modern society.

ADMISSION

1. The Crane Theological School is open on equal terms to students of every denomination of Christians. Candidates unknown to the Faculty must present satisfactory testimonials as to character.

2. Students holding a Bachelor's degree are admitted to a three years' course without examination, as candidates for the degree of Bachelor of Divinity.

3. Undergraduates who enter for a degree must conform to the regular conditions of admission to the School of Liberal Arts.

4. Special students, not candidates for a degree, may be admitted to such work as they are fitted to undertake.

REQUIREMENTS FOR THE DEGREE OF BACHELOR OF DIVINITY

The School of Liberal Arts has lately decided that certain studies, hitherto pursued in the Theological School only, are properly regarded as culture-studies, and, therefore, offers them to all students. Taking advantage of this fact, the student who enters college with Greek and other good preparation may so shape his course as to obtain the degree of Bachelor of Arts and Bachelor of Divinity in six years. A five years' course is offered to those who do not enter with the A. B. degree, or for the combined course. This course gives the culture studies of the A. B. course with the regular studies of the theological course, and gives the student a graduate degree of B. D.

A new feature of this combined course is that, in the first year, the student is given such studies as present the purpose and scope of the profession of the modern ministry. He really begins his professional preparation in his freshman year, and his future subjects are selected in such order that he sees the reason for each and gains stimulus for an adequate equipment.

Graduates from other institutions may obtain the degree of Bachelor of Divinity, after having completed those parts of the course of this school which have not been included in their previous study. The time required will depend on their previous work and their ability to acquire the required excellence of accomplishment.

Students who do not seek degrees can enter for special studies and short courses at the beginning of any semester.

CLINTON LIBERAL INSTITUTE

This institution has been moved to Canton by order of its trustees, and its work united with that of the University.

LOMBARD COLLEGE

Lombard College was chartered Feb. 15, 1851, at Galesburg, Ill., as a protest against the narrowness of the religious education of that day. Since its doors opened to students in the autumn of 1852 it has ever stood for liberal culture. It was the second college in the United States to admit women on an equality with men, and the first graduating class in 1856 included two women and four men. It has a beautiful thirteen acre wooded campus on which stand nine buildings, one of which is the president's residence.

The rapid growth of the school in recent years has necessitated a 40 foot three story addition to Lombard Hall, to accommodate the young women. Here, in a *real home atmosphere*, our young women are carefully supervised, and their health given attention as well as their studies and social interests.

The efficiency ideals of Lombard made imperative the placing of the new model dining-room and model kitchen under the skilled dietetic supervision of the Department of Home Science. This ensures meals that are scientifically balanced.

A new 60 x 90 foot gymnasium has recently been completed. This will be the men's gymnasium, and the present gymnasium will become a women's gymnasium.

"THE LOMBARD IDEA"—"Where he is going" and "How college can help him get there" are the first two questions raised with the registering student at Lombard.

Vocational guidance is offered under experts trained both here and abroad.

President Hurt has equipped a psychological laboratory where each student is tested out—that he may know something of his mental strength and interests, and thus be trained and guided more intelligently.

Again, in every department what is done within the walls is related definitely to what is being done outside the four walls.

Mathematics is related to physics and engineering. Native teachers guarantee that our languages will be spoken. Chemistry becomes industrial and sanitary. Farm and home science, bacteriology, etc., meet human needs.

Everything is related to life—for which college seeks to prepare.

Expenses.—Tuition fees are low, $20 tuition; $14 incidentals per semester. Scientific board in Ladies' Hall, $160 per year. Rooms $36 to $72 per year. Excellent accommodations available in private families. Write for catalogue for full information.

BOARD OF TRUSTEES.—A loyal, unselfish group of leaders, in all lines of life, watch over the affairs of one of the oldest and best colleges of the West—Lombard. *The Corporation.*—*President,* J. B. Harsh, Creston, Ia.; *Secretary,* Franklin J. Drake, M. D., Galesburg, Ill.; *Treasurer,* Frank L. Conger, A. B., Galesburg; *Executive Committee,* J. D. Welsh, B. The Ryder Divinity School.—Dr. Lewis B. Fisher, Dean. The Divinity School of Lombard College was opened for the admission of students on the 5th of September, 1881. The first class was graduated in 1885.

At the annual meeting of the Board of Trustees in 1890, it was voted to name the theological department of the college the Ryder Divinity School, in honor of the late William Henry Ryder, D. D., and commemorating his munificent bequests to the college.

Tuition in the Divinity School is free to those studying for the Christian ministry. Admission requirements will be explained on request.

In June, 1912, the Trustees voted to affiliate Ryder with the University of Chicago Divinity School, under the rules for allied organizations.

All Ryder students now have all benefits of the university. For catalogues and full information, write to the Dean at University of Chicago.

DEAN ACADEMY

Dean Academy is a boarding and day school of the highest grade for young women and young men. It is situated in Franklin, Mass., about half way between Boston and Providence, on the N. Y., N. H. & H. Railroad, and is easily accessible from New England, New York and the West.

The Academy was incorporated in 1865, and takes its name from the late Dr. Oliver Dean of Franklin, who provided for its foundation with generous munificence. The main school building is a fine structure with every convenience and comfort for the maintenance of the school. It is lighted with electricity

and heated by steam. The other buildings consist of a substantial and commodious gymnasium, the Ray Science Building with well equipped laboratories, and the new Alumni Building, with recreation room, dormitories, swimming pool and infirmary. The large endowment of over $150,000 enables the school to provide liberally the best instruction and a most comfortable home.

GODDARD SEMINARY

The Seminary is situated at Barre, Vt., the Granite City, and is easy of access by rail from points within the state or at a distance.

Four courses of study are offered. The academic course includes a knowledge of the ordinary English branches and the sciences, with at least four years spent on languages. By omitting two years of the languages, an English course is formed similar to the ordinary course in schools of this grade. The college preparatory course fits the student for any college, while including some useful studies not required for admission. The academic course is designed for such students as do not purpose attending college, but desire the best education a secondary school can give them. There is opportunity in this course, therefore, for studying the ancient and modern languages, mathematics, science, English literature, rhetoric and history. A state teachers' course with practice work in the public schools of Barre city and town, gives a four years' certificate to teach in the Vermont schools.

A two years' course in Domestic Science was introduced two years ago. Adequate equipment was installed for the different departments of this course, and the work is very attractive to girls.

Each of the courses occupies four years, and a diploma is given at the completion of any one of them.

Both sexes are admitted. The atmosphere of the school is made as homelike as possible, while suitable restraints are imposed. A multiplicity of rules is avoided, however, much being left to each student's honor and sense of propriety.

The department of instrumental music is well conducted. The reputation of this department is very high. Diplomas will be given to students satisfactorily completing the course in Music.

Vocal music is also taught by a teacher of reputation and experience. Her work gives general satisfaction.

The school is supplied with anatomical models, charts, globes, microscopes, a cabinet of minerals, apparatus for chemistry and natural philosophy, and a library of three thousand volumes.

A gymnasium, erected and equipped by the alumni and friends, gives ample opportunity for physical development. Care is taken to have proper physical examination, and exercises are in charge of competent instructors.

A commercial department, recently established, gives instruction in all branches taught in the best business colleges.

The Thompson Memorial Building furnishes every facility to twenty-eight students to board themselves.

Fund.—The permanent fund amounts to $130,000, and will be materially increased by bequests subject to life interest.

WESTBROOK SEMINARY

This institution, the oldest active school in the denomination, is a boarding and day school of the highest standards for both sexes. Its charter was granted in 1831 by the state of Maine, and in 1863 was amended so as to give the Seminary the authority of a woman's college. Located in that part of Portland which was formerly Westbrook and was later erected into the city of Portland, it enjoys the advantages of the city and country alike, while the centering of railroad and steamship lines at Portland makes it easily accessible from anywhere.

The grounds are spacious, the buildings convenient and comfortable. Hersey and Goddard Halls, the dormitories respectively of the young ladies and of the young men, are connected by the dining hall, and afford accommodations for about one hundred students. These halls are well equipped with modern improvements and are kept in thorough repair. Alumni Hall contains the principal recitation rooms, the laboratories of Chemistry, Physics, Biology and Photography, as well as the Cabinet of Minerals, Fossils and Zoological Specimens. The other buildings are the McArthur Gymnasium, and the Moulton Chapel.

The course of study is carefully planned to allow a large freedom of election, but at the same time to ensure each graduate a good general education as well as a preparation more than sufficient for admission to college. Special advantages in the way of advanced work are offered to graduates of other schools who wish to anticipate some of their college work. Among the courses offered are: Four years in English, six in Mathematics, nine in Science, five in History, six in Latin, four each in Greek, German, French, Piano, Voice Culture, and Elocution, and one in Pedagogy and School Management.

The regular expenses for the school year amount to $240, not including books.

UNIVERSALIST PROFESSION OF BELIEF

AND

CONDITIONS OF FELLOWSHIP

I. The Profession of Belief adopted at the session of the General Convention at Winchester, N. H., 1803, is as follows:

Article I. We believe that the Holy Scriptures of the Old and New Testaments contain a revelation of the character of God and of the duty, interest and final destination of mankind.

Article II. We believe that there is one God, whose nature is Love, revealed in one Lord Jesus Christ, by one Holy Spirit of Grace, who will finally restore the whole family of mankind to holiness and happiness.

Article III. We believe that holiness and true happiness are inseparably connected, and that believers ought to be careful to maintain order and practise good works; for these things are good and profitable unto men.

II. The *conditions of fellowship* shall be as follows: (Adopted as an amendment to Article III of the Constitution of the General Convention, at its session in Boston, Oct. 23, 1899.)

1. The acceptance of the essential principles of the Universalist Faith, to wit: 1. The Universal Fatherhood of God; 2. The Spiritual authority and leadership of His Son, Jesus Christ; 3. The trustworthiness of the Bible as containing a revelation from God; 4. The certainty of just retribution for sin; 5. The final harmony of all souls with God.

The Winchester Profession is commended as containing these principles, but neither this nor any other precise form of words is required as a condition of fellowship, provided always that the principles above stated be professed.

2. The acknowledgment of the authority of the General Convention and assent to its laws.

DAYS OF SPECIAL OBSERVANCE

Recommendations by the Universalist General Convention

1. It is recommended that *Christmas Sunday*, i.e., the Sunday nearest Christmas, be observed by appropriate services.

2. It is recommended that on *Easter Sunday a Service of Recognition* be held, at which time persons baptized in childhood, and others, may be welcomed by suitable rites to membership of the Church.

3. It is recommended that one Sunday be set apart in each year to be denominated *Children's Sunday*,—in all cases, where practicable, *the second Sunday in June*, or as near thereto as possible; that parents and guardians be encouraged and invited to bring their children to the altar on that day for baptism or dedication to the service of the Lord.

4. It is recommended that the *first Sunday of October*, in each year, be set apart as *Memorial Sunday*, for commemorating those friends who, during the year, have been taken away by death.

5. It is recommended that the *first Sunday of November*, in each year, be set apart as *All-Souls Sunday*, for a special celebration of our distinguishing doctrine, the Scriptural truth that all souls are God's children, and that finally, by His grace attending them, they will all be saved from the power of sin, and will live and reign with Him forever in holiness and happiness.

6. It is recommended that the *third Sunday of May*, in each year, be set apart as *Educational Sunday*, for the presentation to the people of the educational interests of our Church. And that on the same day an appeal be made to our *Sunday Schools* for aid in the *Home Missionary Work* of our Church.

7. It is recommended that the *fourth Sunday in November*, in each year, be set apart as *Japan Sunday*, for the presentation of the claims of our *Foreign work* and for soliciting pecuniary aid therefor.

UNIVERSALIST REGISTER

FOR 1916

THE GENERAL CONVENTION

"The Universalist General Convention," having jurisdiction over the ecclesiastical organizations of the Universalist Church in the United States and Canadian Provinces, and wherever else it has churches or missions, meets biennially. The next session—1917—is to be held in Worcester, Mass., in October. This Convention is composed, first, of its officers; second, of the President, Vice-President and Secretary of the several State Conventions in its fellowship; third, of the General Superintendent and the several State Superintendents; fourth, of all ordained clergymen in fellowship either with such a State Convention or with the General Convention, and, unless disabled by years or sickness, actively engaged in the work of ministry; fifth, delegates from each parish in fellowship, each such parish being entitled to one lay delegate. To be entitled to such lay delegates and in order that its minister be eligible to be a delegate, every parish must maintain its legal existence and support public worship regularly and make a contribution on quota to the General Convention during each of the two years prior to the meeting of said Convention. At least four parishes must be organized and established in a State before a State Convention can be formed. In all States or Territories where there is no Convention the General Convention has original jurisdiction.

All laws relating to fellowship, ordination and discipline originate in the General Convention, and it is the final court of appeal in all cases of dispute or difficulty between State Conventions. It is an incorporated body, empowered to hold real and personal estate "to be devoted exclusively to the diffusion of Christian knowledge, by means of missionaries, publications and other agencies." In the interim of sessions the interests of the Convention are watched over and managed by a Board of Trustees.

The Murray Centenary Fund, created in 1870 as a memorial of the one hundredth anniversary of Rev. John Murray's first sermon in America, is the leading fund of the Universalist Church.

To this fund there have from time to time been added others of various sums, and under different names, so that the total to-day is in the neighborhood of $450,000.00. The sums have been named in former numbers of *The Register*. The Report of the General Convention of the Universalist Church extends into detail concerning them.

The following are the officers of the Convention:—

President—Rev. Lee S. McCollester, D. D., Tufts College, Mass.

Vice-President—Mr. W. H. Holly, Chicago, Ill.

Secretary—Rev. W. H. Skeels, Cleveland Bldg., Watertown, N. Y.

Treasurer—Mr. J. B. Horton, 6 Park Sq., Boston, Mass.

Trustees—Rev. M. D. Shutter, D. D., Minneapolis, Minn.; Mr. F. A. Winkelman, Chicago, Ill.; Rev. L. S. McCollester, D. D., Tufts College, Mass.; Mr. Joseph L. Sweet, Attleboro, Mass.; Rev. F. O. Hall, D. D., New York, N. Y.; Hon. C. L. Hutchinson, Chicago, Ill.; Rev. F. W. Betts, D. D., Syracuse, N. Y.; Mr. Louis Annin Ames, New York, N. Y.; Rev. F. W. Perkins, D. D., Lynn, Mass.; Mr. H. E. Williams, Washington, D. C.

Ferry Beach Park Association, meetings each year at Ferry Beach Park. This association held its thirty-fourth season of summer meetings last year. The organization was founded by the late Rev. Q. H. Shinn, D. D., and for sixteen years was at the Weirs, N. H., three years at Saratoga Springs, and for fourteen years has been located at Ferry Beach, which is near Old Orchard, Me. The plant includes two hotels—the Quillen and the Underwood. The association is incorporated and possesses property nearly $10,000 in value. The meetings attract such crowds that the present quarters are not large enough. Preparations are being made to secure a new building which shall be known as the Perkins Memorial Building, in honor of the late Rev. O. H. Perkins, who served so faithfully as president. The Institutes are features aiming always for greater church work in the denomination. Last year the program was devoted to the work of the Sunday School, Y. P. C. U., Mission Study, W. N. M. A., Boy Scouts of America and Camp-fire Girls. This year a similar work will be undertaken.

The rates are nine dollars per week at the Quillen and ten dollars at the Underwood. The annual membership dues are $1.00; life membership $25. The officers are: President, Rev. Fred C. Leining, Biddeford, Me.; Vice-Presidents, Rev. Milo G. Folsom, Woodfords, Me., Dr. W. R. Rowland, East Corinth, Vt.; Secretary, Rev. A. Francis Walch, Amesbury, Mass.; Treasurer, E. P. Murray Grove Association –This Association was organized Aug. 24, 1886, at the Potter Memorial Church, Good Luck, N. J., to provide means, adopt and execute measures for the preservation of memorials and property endeared to Universalists at Good Luck, N. J., and for holding yearly meetings thereat during each summer in the interest of the church at large. The Association is incorporated, and at the end of the fiscal year, June 30, 1914, owned $5,000 worth of real estate, free of debt. In addition to this amount is an Endowment Fund of $1,000, now drawing interest at 5 per cent per annum toward defraying any deficit in the running expenses. At the meetings of August, 1909, the Potter Mansion and farm were purchased at a cost of $4,000, of which $1,000 was contributed then and there and the balance of $3,000 was advanced by two members of the Associa-

tion as a loan for two years without interest. This amount has now been raised and repaid, and the entire real estate covering 225 acres placed in the hands of the General Convention to be held in trust for the Association. On this property are located the Murray Grove House, the Potter Mansion, the Potter Memorial Church, the Ballou House and several smaller buildings. A farm superintendent is now located on the property and will have full direction of the development of the farm and the raising of farm produce for use during the summer meetings. The Potter Mansion has been restored and repaired and was formally dedicated by impressive services on Sunday, Aug. 16, 1914. By an amicable arrangement the Association has also the unrestricted use of the Old Potter Meeting House during the August meetings. Have we not here a denominational shrine worthy of the time and money of Universalists throughout the country? The annual membership dues are $1.00. Life membership, $25. President, Rev. William H. McGlauflin, D. D., Chicago, Ill.; Vice-President, James B. Knapp, New York City; Recording Secretary, Miss Ida Ritter East, 217 Madison St., Brooklyn, N. Y.; Financial Secretary, Rev. W. H. There are two mission points among the colored people in the State: One at Suffolk, Va., comprising seventy families, with a membership of twenty-nine, a Sunday school with forty-two members, and a Y. P. C. U. of twenty-four. This mission includes the Suffolk Normal Training School, of which Rev. J. F. Jordan, D. D., is principal. It has been recently enlarged and enrolls over 235 pupils. There is also a mission point at Norfolk, Va., with the Rev. C. W. Jones, minister. This point was organized in February, 1914.

Dr. Jordan is preaching at several points in the State when his health will permit. There is very little objection to his using the pulpits of other denominations.

JAPAN

The Japanese Mission was begun by the General Convention in 1890. The present missionary staff are Rev. and Mrs. G. I. Keirn, D. D., Rev. and Mrs. Nelson L. Lobdell, Miss Catherine M. Osborn, Miss M. Agnes Hathaway, and Miss M. Louise Klein. The following are the ordained Japanese clergymen: Rev. M. Midzuhira, Rev. Hisanari Hoshino, Rev. N. Nagano, Rev. Sempo Ito, and Rev. O. Matsuo. The second is not in active service. The Universalist Convention of Japan meets annually in April. The officers are: Pres., Rev. G. I. Keirn, D. D.; Sec. and Treas., Rev. N. L. Lobdell.

We have a church and a Sunday school in Nagoya; a church, Sunday school and night school for boys with fifty pupils in Shidzuoka; a church and Sunday school in Akita; a church and two Sunday schools in Tokyo. Besides this regular church work, Mr. Lobdell has a Bible class on Wednesday evening for young men, and Mrs. Lobdell a class for children on Sunday, in their home. Two miles from the central church in Tokyo is the Blackmer Girls' Home, where we have our second Sunday school. On the grounds of the home is our free kindergarten with eighty pupils, in which school is taught a Sunday school lesson every Saturday. With the exception of the Shidzuoka night school and the above kindergarten, we have no schools, and have not had for years. We think it best to leave secular education to the government schools and confine ourselves to the more direct religious work for which we came, especially since we have more of this than we can do. The Blackmer Home is not a rescue home, as so many of our American friends seem to think. It is simply a place where girls of good character may live under Christian influence while they are going to school. For the past few years there has been an average of seventeen such resident girls in the home, and usually four or five of them are in training for Sunday school teaching or other Christian work. Including all our religious services, Sunday schools, lectures and other gatherings, there is an average of twenty-five meetings each week throughout the entire mission in which the Bible or some phase of the Christian religion is taught. The

aggregate attendance on all these occasions is somewhat more than five hundred per week. Besides these many others are reached every week through individual work. We have five native ministers, four of them active. There are six other paid teachers and workers, three of them giving all their time to the mission. Many of our church members render valuable volunteer services as they do in our home churches. Our church membership, resident and non-resident, is about five hundred. We have three hundred and fifty members in our Sunday schools. In Tokyo we own the land and buildings of the central church, Blackmer Home and kindergarten. In Nagoya we own a small chapel on rented ground. In other places our people carry on their work in such private houses as we are able to rent. The following will show the facts in brief.

Summary

Missionaries 5; churches 4; native ministers 5; other teachers and paid workers 6; Sunday schools 5; night school 1; kindergarten 1; girls' home 1; church buildings 2; other buildings 2; total church membership about 500; members of Sunday schools 350.

Colleges, Theological Schools and Academies

TUFTS COLLEGE

This college is situated at Tufts College, in the cities of Medford and Somerville, Mass. It was incorporated in 1852, and opened for students in 1855. Departments: School of Liberal Arts; Jackson College for Women; Crane Theological School; Medical School (located in Boston); Dental School (located in Boston); Engineering School; Bromfield-Pearson School, connected with the Engineering School; Graduate School. For catalogue, address the Registrar, Tufts College, Mass.

THE CRANE THEOLOGICAL SCHOOL

The Crane Theological School is one of the co-ordinate departments of Tufts College. Students of the School are members of the College, enjoying its privileges and subject to its regulations. The aim of the School is to fit men to be efficient religious leaders in rural or city communities. Because of its proximity to Boston it gives unusual opportunities to its men for the study of social problems, the practise of social service and acquaintance with religious and social leaders. The new courses are being laid out with especial reference to preparing men for the active ministerial work of modern society.

ADMISSION

1. The Crane Theological School is open on equal terms to students of every denomination of Christians. Candidates unknown to the Faculty must present satisfactory testimonials as to character.

2. Students holding a Bachelor's degree are admitted to a three years' course without examination, as candidates for the degree of Bachelor of Divinity.

3. Undergraduates who enter for a degree must conform to the regular conditions of admission to the School of Liberal Arts.

4. Special students, not candidates for a degree, may be admitted to such work as they are fitted to undertake.

REQUIREMENTS FOR THE DEGREE OF BACHELOR OF DIVINITY

The School of Liberal Arts has lately decided that certain studies, hitherto pursued in the Theological School only, are properly regarded as culture-studies, and, therefore, offers them to all students. Taking advantage of this fact, the student who enters college with Greek and other good preparation may so shape his course as to obtain the degree of Bachelor of Arts and Bachelor of Divinity in six years. A five years' course is offered to those who do not enter with the A. B. degree, or for the combined course. This course gives the culture studies of the A. B. course with the regular studies of the theological course, and gives the student a graduate degree of B. D.

A new feature of this combined course is that, in the first year, the student is given such studies as present the purpose and scope of the profession of the modern ministry. He really begins his professional preparation in his freshman year, and his future subjects are selected in such order that he sees the reason for each and gains stimulus for an adequate equipment.

Graduates from other institutions may obtain the degree of Bachelor of Divinity, after having completed those parts of the course of this school which have not been included in their previous study. The time required will depend on their previous work and their ability to acquire the required excellence of accomplishment.

Students who do not seek degrees can enter for special studies and short courses at the beginning of any semester.

Faculty.—Hermon Carey Bumpus, Ph. D., Sc. D., LL. D., President; Lee S. McCollester, A. B., D. D., Dean; Charles H. Leonard, A. M., D. D., Dean Emeritus; William H. Reed, Jr., A. LOMBARD COLLEGE

Lombard College, at Galesburg, Illinois, was founded by Universalists of Illinois, who realized the need of an institution of learning where boys and girls might receive a liberal education untrammeled by the creeds emphasized in the schools in the community. A charter was granted on Feb. 15, 1851. Lombard has always been liberal in fact as well as in faith, and no bias of sect or prejudice of sex has limited its usefulness as an institution of learning. Students entered in the fall of 1852 and the first class, which consisted of four men and two women, graduated in 1856. Women were admitted on the same basis as men from the beginning, and Lombard was the second institution in the United States to become co-educational.

The College offers four year courses leading to A. B. and B. S. degrees. The courses are carefully planned to give general education or preparation for professional study and specialization in Law, Medicine, Engineering, Agriculture and the Ministry, also courses in Education to prepare for teaching.

The work of the Department of Home Economics covers a period of four years and leads to the degree of B. S. in Home Economics. The courses are designed to prepare for practical home building and professional training of teachers. Home Economics offers a wide and pleasant field of opportunity for women who desire to engage in remunerative occupations.

The Vocal Art Studio is under the direction of Madame Anna Groff-Bryant, a pioneer in scientific research work in the field of vocal activity. She has built up a rounded out system of vocal education, the results achieved being the testimony to its value. A special studio was built for her work. The students in the department represent the following nine states: Arkansas, California, Illinois, Indiana, Iowa, Kansas, Minnesota, Oklahoma, Wisconsin.

The Scientific Piano Studios opened in the fall of 1915, under

the direction of Eduard Scherubel. Scientific arm and hand development is emphasized.

The Department of Physical Education gives careful attention to corrective work for men and women. Esthetic dancing and normal courses are given for women—courses in coaching for men. Competitive teams with strong teams represent the College in football, basketball, baseball and track. A new 60x90 foot gymnasium offers splendid facilities for this work.

Lombard emphasizes personal contact and sympathy between instructor and student. The College strives, by student analysis and counsel, to guide the student in the selection of the field for life work to which he is best adapted and to direct the development in that field.

Lombard Hall is a modern attractive dormitory for women in which the home atmosphere predominates. Supervision of the Hall includes special attention to the health and social interests of the women. The cuisine is in charge of an experienced dietitian and the food is prepared in accordance with modern scientific principles.

College bills per semester, two semesters a year: Tuition $20 incidentals $12; athletic fee $2.50; board in Lombard Hall $80 rooms $15 to $32. Room and board for men available in private families at reasonable rates. Many of the men live in fraternity houses.

Liffle's Cross and Crown System

Doubles Sunday School Attendance and Offerings

How to Use the System

Begin by presenting every scholar with the No. 0 celluloid pin. For every term of three months' uninterrupted attendance the pupil earns a reward. For the first term the No. 1 pin; for the second the No. 2 pin; for the third the No. 3 pin; for the fourth the No. 6 pin. Thirteen consecutive Sundays may be considered as three months. Pupils absent without a satisfactory excuse lose the interrupted term, but may begin a new term the next Sunday they attend, continuing to wear the pin already earned.

Each pin obtained is to be worn until the next higher grade is earned, but surrendered upon receiving the new one. The No. 6 solid gold pin is presented outright, and with it a handsome lithographed certificate, 9 x 11 inches, with seal and ribbon attached (for framing). For each additional reward earned another seal and ribbon is attached. These certificates are free to schools. Send for sample.

The System pays for itself by increased offerings as evidenced by numerous testimonials, and may be started successfully at any time. This has been repeatedly proven by actual results.

No. 0 celluloid pin color blue and white, 1 cent each.

No. 1 Bronze Cross and Crown Pin, 6 cents each.

No. 2 gunmetal finished pin, blue enameled cross, white ribbon, red background, 15 cents each.

No. 3 solid silver hand engraved pin, red enameled cross, white ribbon, blue background, 30 cents each.

No. 6 solid gold hand engraved pin red cross, blue ribbon, white background, enameled, 85 cents each.

A handsome leaflet lithographed in colors and bronzes describing the use of the System goes with every No. 0 pin.

We put up a sample set of five pins in an attractive velvet box. These are sent on approval to be returned in thirty days.

Special names on No. 0 pins cost 50c. extra. On Nos. 1, 2, 3 and 6 $4.00 extra, the $4.00 will be refunded in case 50 of one of the numbers 2, 3 or 6 are ordered at one time.

Cross and Crown Pins Pay for Themselves

"The Cross and Crown system increased our school more than 50%, the offerings nearly 300%."—Jacob Miller, Supt. S. S., Arcanum, Ohio.

"Our school has doubled in attendance, contributions quadrupled, and the interest is intense."—J. L. P. Beeman, Supt. S. S., Oblong, Ill.

"The increased collections will more than pay for the pins, in fact we have assumed $150 per year of the interest on the Church debt."—W. E. Griffin, Secretary S. S., New Brighton, Pa.

"Have used Cross and Crown System three years, attendance sure to grow and pay for the pins."—F. G. McCullough, Supt. S. S., Conesville, Iowa.

"The Cross and Crown System is self-supporting."—Harold J. McKeever, Cor. Secretary S. S., Brownsville, Pa.

"More than pleased, increase in attendance over 100%, in collections even greater. Delighted."—John E. Barnard, Supt., Cartersville, Ga.

UNIVERSALIST PROFESSION OF BELIEF

AND

CONDITIONS OF FELLOWSHIP

I. The Profession of Belief adopted at the session of the General Convention at Winchester, N. H., 1803, is as follows:

Article I. We believe that the Holy Scriptures of the Old and New Testaments contain a revelation of the character of God and of the duty, interest and final destination of mankind.

Article II. We believe that there is one God, whose nature is Love, revealed in one Lord Jesus Christ, by one Holy Spirit of Grace, who will finally restore the whole family of mankind to holiness and happiness.

Article III. We believe that holiness and true happiness are inseparably connected, and that believers ought to be careful to maintain order and practise good works; for these things are good and profitable unto men.

II. The *conditions of fellowship* shall be as follows: (Adopted as an amendment to Article III of the Constitution of the General Convention, at its session in Boston, Oct. 23, 1899.)

1. The acceptance of the essential principles of the Universalist Faith, to wit: 1. The Universal Fatherhood of God; 2. The Spiritual authority and leadership of His Son, Jesus Christ; 3. The trustworthiness of the Bible as containing a revelation from God; 4. The certainty of just retribution for sin; 5. The final harmony of all souls with God.

The Winchester Profession is commended as containing these principles, but neither this nor any other precise form of words is required as a condition of fellowship, provided always that the principles above stated be professed.

2. The acknowledgment of the authority of the General Convention and assent to its laws.

DAYS OF SPECIAL OBSERVANCE

Recommendations by the Universalist General Convention

1. It is recommended that *Christmas Sunday*, i.e., the Sunday nearest Christmas, be observed by appropriate services.

2. It is recommended that on *Easter Sunday a Service of Recognition* be held, at which time persons baptized in childhood, and others, may be welcomed by suitable rites to membership of the Church.

3. It is recommended that one Sunday be set apart in each year to be denominated *Children's Sunday*,—in all cases, where practicable, *the second Sunday in June*, or as near thereto as possible; that parents and guardians be encouraged and invited to bring their children to the altar on that day for baptism or dedication to the service of the Lord.

4. It is recommended that the *first Sunday of October*, in each year, be set apart as *Memorial Sunday*, for commemorating those friends who, during the year, have been taken away by death.

5. It is recommended that the *first Sunday of November*, in each year, be set apart as *All-Souls Sunday*, for a special celebration of our distinguishing doctrine, the Scriptural truth that all souls are God's children, and that finally, by His grace attending them, they will all be saved from the power of sin, and will live and reign with Him forever in holiness and happiness.

6. It is recommended that the *third Sunday of May*, in each year, be set apart as *Educational Sunday*, for the presentation to the people of the educational interests of our Church. And that on the same day an appeal be made to our *Sunday Schools* for aid in the *Home Missionary Work* of our Church.

7. It is recommended that the *fourth Sunday in November*, in each year, be set apart as *Japan Sunday*, for the presentation of the claims of our *Foreign work* and for soliciting pecuniary aid therefor.

UNIVERSALIST REGISTER

FOR 1917

THE GENERAL CONVENTION

The Universalist General Convention, having jurisdiction over the ecclesiastical organizations of the Universalist Church in the United States and Canadian Provinces, and wherever else it has churches or missions, meets biennially. The next session—1917—is to be held in Worcester, Mass., in October. This Convention is composed, first, of its officers; second, of the President, Vice-President and Secretary of the several State Conventions in its fellowship; third, of the General Superintendent and the several State Superintendents; fourth, of all ordained clergymen in fellowship either with such a State Convention or with the General Convention, and, unless disabled by years or sickness, actively engaged in the work of ministry: fifth, delegates from each parish in fellowship, each such parish being entitled to one lay delegate. To be entitled to such lay delegates and in order that its minister be eligible to be a delegate, every parish must maintain its legal existence and support public worship regularly and make a contribution on quota to the General Convention during each of the two years prior to the meeting of said Convention. At least four parishes must be organized and established in a State before a State Convention can be formed. In all States or Territories where there is no Convention the General Convention has original jurisdiction.

All laws relating to fellowship, ordination and discipline originate in the General Convention, and it is the final court of appeal in all cases of dispute or difficulty between State Conventions. It is an incorporated body, empowered to hold real and personal estate "to be devoted exclusively to the diffusion of Christian knowledge, by means of missionaries, publications and other agencies." In the interim of sessions the interests of the Convention are watched over and managed by a Board of Trustees.

The Murray Centenary Fund, created in 1870 as a memorial of the one hundredth anniversary of Rev. John Murray's first sermon in America, is the leading fund of the Universalist Church.

To this fund there have from time to time been added others of various sums, and under different names, so that the total to-day is in the neighborhood of $510,000.00. The sums have been named in former numbers of *The Register*. The Report of the General Convention of the Universalist Church extends into detail concerning them.

The W. N. M. A. has charge of the Universalist Missions in North Carolina, and is maintaining three missionaries in that State. It helps needy churches through its Church Building Loan Fund. It is responsible for the support of three women workers in Japan, assumes the entire care of the Blackmer Home and its missionaries, maintains the Midori Kindergarten, has

an endowment fund of $20,589.33 for the Blackmer Home in Tokyo, Japan, and assists the Japanese Universalist Society in Boston. The Sunday School Department has secured pledges from one hundred schools in order to maintain the third woman missionary in Japan, and is planning for special mission studies in the Sunday schools. It has just undertaken the raising of a Jubilee Fund of at least $20,000, the income of which shall be used for home missionary work.

Ferry Beach Park Association—This organization was founded by the late Rev. Q. H. Shinn, D. D. For sixteen years its summer sessions were held at the Weirs, N. H., for three years the meetings were at Saratoga Springs, N. Y., and the season last year was the fifteenth at Ferry Beach, which is near Old Orchard, Me. The Association has recently purchased the grove where the open-air meetings have been held. The plant now includes two hotels—the Quillen and the Underwood—the Pavilion, the bowling-alley, and about twenty-three acres of land. The beach, in front of the hotels, is a part of the famous Old Orchard beach, which is recognized as one of the finest on the eastern coast.

The Ferry Beach meetings have a denominational significance. The movement is distinctly a school of methods, where our church workers gather to increase their efficiency. The 1917 season will begin July 22, the first week being Young People's Week, the second Ministers' Week, and the remaining two weeks devoted to institutes for Sunday school workers and for mission study.

The rates are $9 per week at the Quillen and $10 at the Underwood. The Association has a number of cottage-lots for sale to Universalists. Tents can be rented from the Association. The annual membership dues are $1.00; life membership, $25.

The officers are: President, Rev. Fred C. Leining, Biddeford, Me.; Vice-President, Rev. D. A. Ball, West Paris, Me.; Secretary, Rev. A. F. Walch, Augusta, Me.; Treasurer, Miss Laura A. Jenness, St. Johnsbury, Vt.; Directors, Prof. C. R. Skinner, Tufts College, Mass., Rev. M. G. Folsom, Woodfords, Me., Miss F. Ella Bradley, Portland, Me.

Murray Grove Association—This Association was organized Aug. 24, 1886, at the Potter Memorial Church, Good Luck, N. J., to provide means, adopt and execute measures for the preservation of memorials and property endeared to Universalists at Good Luck, N. J., and for holding yearly meetings thereat during each summer in the interest of the church at large. The Association is incorporated, and at the end of the fiscal year,

June 30, 1914, owned $5,000 worth of real estate, free of debt. In addition to this amount is an Endowment Fund of $1,000, now drawing interest at 5 per cent per annum toward defraying any deficit in the running expenses. At the meetings of August, 1909, the Potter Mansion and farm were purchased at a cost of $4,000, of which $1,000 was contributed then and there and the balance of $3,000 was advanced by two members of the Association as a loan for two years without interest. This amount has now been raised and repaid, and the entire real estate covering 225 acres placed in the hands of the General Convention to be held in trust for the Association. On this property are located the Murray Grove House, the Potter Mansion, the Potter Memorial Church, the Ballou House and several smaller buildings. A farm superintendent is now located on the property and has full direction of the development of the farm and the raising of farm produce for use during the summer meetings. The Potter Mansion has been restored and repaired and was formally dedicated by impressive services on Sunday, Aug. 16, 1914. By an amicable arrangement the Association has also the unrestricted use of the Old Potter Meeting House during the August meetings. Have we not here a denominational shrine worthy of the time and money of Universalists throughout the country? The annual membership dues are $1.00. Life membership, $25. President, Rev. William H. McGlauflin, D. D., Scranton, Pa.; Vice-President, James B. Macneal, Baltimore, Md.; Recording Secretary, Miss Ethel Gabell, 4729 Hazel Ave., W. Philadelphia, Pa.; Financial Secretary, Rev. W. H. Skeels, Watertown, N. Y.; Treasurer, James B. Knapp, 99 Fulton St., New York, N. Y.

Plans are well under way for celebrating the 150th anniversary of the meeting in 1770 of John Murray with Thomas Potter at Good Luck. The committee appointed in 1915 to co-operate with another from the General Convention, has outlined a great Pilgrimage of Universalists from all over the country to Murray Grove in the summer of 1920. An epochal program will be carried out, including a pageant showing the chief facts in the lives of Murray and Potter and in the rise of the Universalist Church.

We have a church and a Sunday school in Nagoya; a church, Sunday school and night school for boys with fifty pupils in Shidzuoka; a church and Sunday school in Akita; a church and two Sunday schools in Tokyo, and a Sunday school at Tabota, which was added during the past year. Besides this regular church work, Mr. Lobdell has a Bible class on Wednesday evening for young men, and Mrs. Lobdell a class for children on Sunday, in their home. Two miles from the central church in Tokyo is the Blackmer Girls' Home, where we have our second Sunday school. On the grounds of the home is our free kindergarten with eighty pupils, in which school is taught a Sunday school lesson every Saturday. With the exception of the Shidzuoka night school and the above kindergarten, we have no schools, and have not had for years. We think it best to leave secular education to the government schools and confine ourselves to the more direct religious work for which we came, especially since we have more of this than we can do. The Blackmer Home is not a rescue home, as so many of our American friends seem to think. It is simply a place where girls of good character may live under Christian influence while they are going to school. For the past few years there has been an average of seventeen such resident girls in the home, and usually four or five of them are in training for Sunday school teaching or other Christian work. Including all our religious services, Sunday schools, lectures and other gatherings, there is an average of twenty-five meetings each week throughout the entire mission in which the Bible or some phase of the Christian religion is taught. The aggregate attendance on all these occasions is somewhat more than five hundred per week. Besides these many others are reached every week through individual

work. We have six native ministers, five of them active. There are six other paid teachers and workers, three of them giving all their time to the mission. Many of our church members render valuable volunteer services as they do in our home churches. Our church membership, resident and non-resident, is about five hundred. Thirty-four new members have been added during the past year. We have three hundred and seventy-five members in our Sunday schools. In Tokyo we own the land and buildings of the central church, Blackmer Home and kindergarten. In Nagoya we own a small chapel on rented ground. In other places our people carry on their work in such private houses as we are able to rent. The following will show the facts in brief.

Summary

Colleges, Theological Schools and Academies

TUFTS COLLEGE

This college is situated at Tufts College, in the cities of Medford and Somerville, Mass. It was incorporated in 1852, and opened for students in 1855. Departments: School of Liberal Arts; Jackson College for Women; Crane Theological School; Medical School (located in Boston); Dental School (located in Boston); Engineering School; Bromfield-Pearson School, connected with the Engineering School; Graduate School. For catalogue, address the Registrar, Tufts College, Mass.

THE CRANE THEOLOGICAL SCHOOL

The Crane Theological School is one of the co-ordinate departments of Tufts College. Students of the School are members of the College, enjoying its privileges and subject to its regulations. The aim of the School is to fit men to be efficient religious leaders in rural or city communities. Because of its proximity to Boston it gives unusual opportunities to its men for the study of social problems, the practise of social service and acquaintance with religious and social leaders. The new courses are being laid out with especial reference to preparing men for the active ministerial work of modern society.

ADMISSION

1. The Crane Theological School is open on equal terms to students of every denomination of Christians. Candidates unknown to the Faculty must present satisfactory testimonials as to character.

2. Students holding a Bachelor's degree are admitted to a three years' course without examination, as candidates for the degree of Bachelor of Divinity.

3. Undergraduates who enter for a degree must conform to the regular conditions of admission to the School of Liberal Arts.

4. Special students, not candidates for a degree, may be admitted to such work as they are fitted to undertake.

REQUIREMENTS FOR THE DEGREE OF BACHELOR OF DIVINITY

The School of Liberal Arts has lately decided that certain studies, hitherto pursued in the Theological School only, are properly regarded as culture-studies, and, therefore, offers them to all students. Taking advantage of this fact, the student who enters college with Greek and other good preparation may so shape his course as to obtain the degree of Bachelor of Arts and Bachelor of Divinity in six years. A five years' course is offered to those who do not enter with the A. B. degree, or for the combined course. This course gives the culture studies of the A. B. course with the regular studies of the theological course, and gives the student a graduate degree of B. D.

A new feature of this combined course is that, in the first year, the student is given such studies as present the purpose and scope of the profession of the modern ministry. He really begins his professional preparation in his freshman year, and his future subjects are selected in such order that he sees the reason for each and gains stimulus for an adequate equipment.

Graduates from other institutions may obtain the degree of Bachelor of Divinity, after having completed those parts of the course of this school which have not been included in their previous study. The time required will depend on their previous work and their ability to acquire the required excellence of accomplishment.

Students who do not seek degrees can enter for special studies and short courses at the beginning of any semester.

CLINTON LIBERAL INSTITUTE

This institution has been moved to Canton by order of the Regents of the University of the State of New York, and its work united with that of the University.

LOMBARD COLLEGE

Lombard College, at Galesburg, Illinois, was founded by Universalists of Illinois, who realized the need of an institution of learning where boys and girls might receive a liberal education untrammeled by the creeds emphasized in the schools in the community. A charter was granted on Feb. 15, 1851. Lombard has always been liberal in fact as well as in faith, and no bias of sect or prejudice of sex has limited its usefulness as an institution of learning. Students entered in the fall of 1852 and the first class, which consisted of four men and two women, graduated in 1856. Women were admitted on the same basis as men from the beginning, and Lombard was the second institution in the United States to become co-educational.

The College offers four year courses leading to A. B. and B. S. degrees. The courses are carefully planned to give a broad, liberal education, or preparation for professional studies, with special courses leading to a degree for men, in Business Administration, Science and Teaching, and for women, in Home Economics, Vocal Art, Public School Music, Piano and Teaching.

The work of the Department of Home Economics covers a period of four years and leads to the degree of B. S. in Home Economics. The work in Home Economics for women is especially attractive from a practical standpoint, on account of the fact that our teachers' bureau has a waiting list of State Superintendents who wish Lombard graduates to teach different subjects in the public schools.

The courses in Vocal Art and Piano, Madame Anna Groff-Bryant, Dean, not only prepare young women in public school teaching but also give a complete course with Bachelor's degree in these subjects.

Lombard College has the enviable reputation of having the most beautiful campus in the Central West, which, together with its fine athletic field and gymnasium, makes the work of physical training and athletics, so necessary in the modern college, of the

highest order. The college is represented with strong and many championship teams in football, baseball, basketball and track.

Lombard emphasizes personal contact and sympathy between instructor and student. The College strives, by student analysis and counsel, to guide the student in the selection of the field for life work to which he is best adapted and to direct the development in that field.

Lombard Hall is a modern attractive dormitory for women in which the home atmosphere predominates. Supervision of the Hall includes special attention to the health and social interests of the women.

College bills per semester, two semesters a year: Tuition $22.50; incidentals $12.50; athletic fee $2.50; board in Lombard Hall $80; rooms $15 to $32. Room and board for men available in private families at reasonable rates. Many of the men live in fraternity houses.

The other buildings consist of a substantial and commodious gymnasium, the Ray Science Building with well equipped laboratories, and the new Alumni Building, with recreation room, dormitories, swimming pool and infirmary. GODDARD SEMINARY

The Seminary is situated at Barre, Vt., the Granite City, and is easy of access by rail from points within the state or at a distance.

Four courses of study are offered. The academic course includes a knowledge of the ordinary English branches and the sciences, with at least four years spent on languages. By omitting two years of the languages, an English course is formed similar to the ordinary course in schools of this grade. The college preparatory course fits the student for any college, while including some useful studies not required for admission. The academic course is designed for such students as do not purpose attending college, but desire the best education a secondary school can give them. There is opportunity in this course, therefore, for studying the ancient and modern languages, mathematics, science, English literature, rhetoric and history.

Each of the courses occupies four years, and a diploma is given at the completion of any one of them.

Both sexes are admitted. The atmosphere of the school is made as homelike as possible, while suitable restraints are im-

posed. A multiplicity of rules is avoided, however, much being left to each student's honor and sense of propriety.

A state teachers' course with practise work in the public schools of Barre city and town, gives a four years' certificate to teach in the Vermont schools.

A two years' course in Domestic Science was introduced three years ago. Adequate equipment was installed for the different departments of this course, and the work is very attractive to girls.

A two years' commercial course gives a thorough preparation in the commercial subjects needed for all kinds of office work. This department aims to give the work of the commercial college, and its graduates are filling many responsible positions.

The department of instrumental music is well conducted. The reputation of this department is very high. Diplomas will be given to students satisfactorily completing the course in Music.

Vocal music is also taught by a teacher of reputation and experience. Her work gives general satisfaction.

The school is supplied with anatomical models, charts, globes, microscopes, a cabinet of minerals, apparatus for chemistry and natural philosophy, and a library of three thousand volumes.

A gymnasium, erected and equipped by the alumni and friends, gives ample opportunity for physical development. Care is taken to have proper physical examination, and exercises are in charge of competent instructors.

The Thompson Memorial Building furnishes every facility to twenty-eight students to board themselves.

Fund.—The permanent funds amount to $160,000, and will be materially increased by bequests subject to life interest.

Expenses.—Board, $4 per week, including room rent, steam heat, light and washing. The charge for tuition is $15 per term. Twelve free scholarships pay the tuition of those pupils meeting the requirements. School charges for the year amount to $200.

WESTBROOK SEMINARY

This institution, the oldest active school in the denomination, is a boarding and day school of the highest standards for both sexes. Its charter was granted in 1831 by the state of Maine, and in 1863 was amended so as to give the Seminary the authority of a woman's college. Located in that part of Portland which was formerly Westbrook and was later erected into the city of Portland, it enjoys the advantages of the city and country alike, while the centering of railroad and steamship lines at Portland makes it easily accessible from anywhere.

The grounds are spacious, the buildings convenient and comfortable. Hersey and Goddard Halls, the dormitories respectively of the young ladies and of the young men, are connected by the dining hall, and afford accommodations for about one hundred students. These halls are well equipped with modern

improvements and are kept in thorough repair. Alumni Hall contains the principal recitation rooms, the laboratories of Chemistry, Physics, Biology, Photography and Domestic Science, as well as the Cabinet of Minerals, Fossils and Zoological Specimens. The other buildings are the McArthur Gymnasium, and the Moulton Chapel.

The course of study is carefully planned to allow a large freedom of election, but at the same time to ensure each graduate a good general education as well as a preparation more than sufficient for admission to college. Special advantages in the way of advanced work are offered to graduates of other schools who wish to anticipate some of their college work. Among the courses offered are: Four years in English, six in Mathematics, nine in Science, five in History, six in Latin, four each in Greek, German, French, Piano, Voice Culture, and Elocution, two in Domestic Science, in Surveying and in Commercial Study, and one in Pedagogy and School Management.

The regular expenses for the school year amount to $250, not including books.

THE AMERICAN STANDARD BIBLE

Authorized and Edited by The American Revision Committee

Easiest to Understand — Because it gives in plain English the exact thought and meaning of the inspired men who first wrote the Bible in Hebrew and Greek.

The Most Accurate — Because it is translated from the oldest and most complete authentic copies of the original Sacred Scriptures.

Every Bible in Use To-day is a translation and revision because there was no modern language when the Divine message was given to man.

Therefore **The American Standard Bible** is used by all Colleges, Seminaries, Bible Training Schools and leading scholars and Ministers. It is also the Text used in all the Graded Series of Sunday School Lessons and the basis for all the International Sunday School Lessons.

Made in all sizes of type and over 200 styles of binding.
